

Los Angeles Public Library Patron Air Sensor Loan Survey

EPA Form Number 5800-013

Control Number: 2010-0042

Expiration Date: 3/31/21

Thank you for helping pilot the Los Angeles Public Library Air Sensor Loan Program! Can you help us improve by providing some feedback on the sensor you just borrowed?

This loan program is a first-of-its kind pilot program between the Los Angeles Public Library system and the U.S. Environmental Protection Agency. Your feedback on borrowing and using the sensor is very important to us. Your feedback will be used to determine if additional support is needed to make this pilot a success and to improve the program for future uses.

Please answer questions to the best of your ability. If you don't wish to answer a question, please select prefer not to answer so we know it wasn't accidentally skipped. Your responses will be kept anonymous, unless you choose to leave your contact information to provide us additional feedback.

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2010-0042). Responses to this collection of information are voluntary. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 15 minutes per response. Send comments on the Agency's need this formation, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden including through the use of automated collection techniques to the Director, Regulatory Support Division, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence.

Do not send the completed form to this address.

0 of 10 answered 

1. Who used the sensor (check all that apply)?

- | | |
|---|---|
| <input type="checkbox"/> Myself | <input type="checkbox"/> Coworkers |
| <input type="checkbox"/> Friends | <input type="checkbox"/> Teachers |
| <input type="checkbox"/> Students | <input type="checkbox"/> Community Group |
| <input type="checkbox"/> Family | <input type="checkbox"/> Prefer not to answer |
| <input type="checkbox"/> Other (please specify) | |

2. What is the age of the person/people who used the sensor the most? 

- 0-10
- 11-14
- 15-19
- 20-25
- 26-39
- 40-62
- 63 or over
- Prefer not to answer

How many people total used the sensor (including yourself)?

3. Please rate the following 

	Very easy	Easy	Somewhat easy	Neither easy nor difficult	Somewhat difficult	Difficult	Very Difficult
How easy was it to use the sensor?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
How easy was it to follow the sensor instructions?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
How easy was it to view data from the sensor?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
How easy was it to follow the activities that came with the sensor (if applicable)?	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

On a scale of 1-10, 1 being very unsatisfied and 10 being very satisfied, how satisfied are you with the loan program overall?

4. If you received assistance outside the library on how to use the sensor, where did you go for that information? 

5. What was the main reason for borrowing a sensor (choose one)? 

- to learn about air quality near a pollution source in my community
- to provide data to decision makers (like school or government official)
- to make changes in my community
- to learn more about air sensors and air quality
- to conduct research or an experiment
- to check on air quality inside my home, office, school or other indoor environment
- to compare air quality between locations
- to reduce my or my family's exposure to air pollution
- prefer not to answer
- Other (please specify)

6. How did you use the data you collected with the sensors? (examples, changed my daily routine, recommended others change their daily routine, shared data with someone else) 

7. Where did you hear about the sensor loan program (check all that apply)?

- | | |
|---|---|
| <input type="checkbox"/> A friend | <input type="checkbox"/> A coworker |
| <input type="checkbox"/> A librarian | <input type="checkbox"/> My teacher |
| <input type="checkbox"/> Library's website | <input type="checkbox"/> EPA's website |
| <input type="checkbox"/> Library's social media | <input type="checkbox"/> EPA's social media |
| <input type="checkbox"/> A family member | |
| <input type="checkbox"/> Other (please specify) | |

8. Which sensor resources did you use, if any? (Check all that apply)

- I was not given any resources
- I was given resources but did not use any
- Quick Start Guide
- Air Quality 101 Presentation
- Activity 1: What is in the Outdoor Air? Exploring Particulate Matter (PM) Sources And Air Quality Outdoors
- Activity 2: Hidden Particulate Matter Indoors! Explore Your Environment
- Activity 3: My Pollution Bubble! Exploring My Personal Particulate Matter (PM) Exposure
- Frequently Asked Questions (FAQs)
- Resource Guide
- Advanced Topics in Air Quality Presentation
- Prefer not to answer

How useful were these resources to you?

9. Do you have any recommendations for improving the loan program or anything else you would like to share about your experience? 

10. Please provide your contact information if you would be open to having us contact you with follow up questions (OPTIONAL)
