

TITLE OF INFORMATION COLLECTION:

ORD State Engagement Feedback Survey.

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2010-0042). Responses to this collection of information are voluntary. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 10 minutes per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Regulatory Support Division Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.

Questions for State members on RAC teams to identify potential improvements:

- 1) We would appreciate your feedback on the level of engagement with the Research Area Coordination (RAC) team. Is it too much, too little or adequate? Please provide any thoughts on how to improve the efficiency and effectiveness of your engagement, specifically the frequency and types of interactions.
- 2) One goal of this effort is to identify and develop specific research products that meet state science needs so they will be useful to your organization. Is this goal being reached? If so, please mention any research products that are being improved to be more useful to your organization. If not, please describe possible reasons for not attaining this goal and suggestions to overcome the causes.
- 3) Please provide any general feedback on the RAC team process.
