PURPOSE1

This survey provides information about:

- The cost of housing for the American public.
- The availability of housing for different segments of the American public, such as the elderly, low income, and different minority groups.
- Trends in housing market. For example:
 - + What type of housing (single family homes, condominiums, townhouses, manufactured/mobile homes, etc.) are people buying?
 - + What type of fuels and appliances are being used?
 - + Is the quality of housing in this country improving or getting worse for most people?
 - + Is the cost of owning and maintaining a home changing?
 - + Is the cost of renting changing?
 - + Are people adding to their living space?
 - + What proportion of our population lives in overcrowded housing?
 - + Are neighborhoods getting better or worse?
- How close are we to our national goal of providing quality housing for each American?
- To provide data for the President to present an annual report to Congress.

PURPOSE2

Some uses for the information are the following:

- To evaluate the effectiveness of existing housing programs.
- To plan new programs.
- To determine the amount of money required to solve different types of housing problems.
- To determine at what income level families of various sizes qualify for low-income housing assistance programs.
- To determine how much support low-or middle-income families should receive in the form of rent subsidies or mortgage assistance programs.
- To determine if existing mortgage programs are adequate.
- To provide data for the President to present an annual report to Congress.

PURPOSE3

◆ **How he/she was selected:**

- We selected an address, not you or your family.
- If you were to move, this address would remain in the survey, not your new one.

◆ **Why we can't select someone else:**

- Each address is scientifically selected to represent thousands of other housing units.

PURPOSE4

- Yes, participation is voluntary.
- To produce valid and reliable results, everyone should participate.
- Decisions will be made with or without your input. By participating, your voice will be heard in Washington.

PURPOSE6

- The U.S. Department of Housing and Urban Development (HUD) is authorized to collect this information under the Housing and Urban-Rural Recovery Act of 1983 (12 U.S.C. 1701z-1,1701z-2(g), and 1701z-10a). The Census Bureau conducts the survey on behalf of HUD under the authority of 13 U.S.C. 8(b). The U.S. Census Bureau is required by law to protect your information. The Census Bureau is not permitted to publicly release your responses in a way that could identify this household. Federal law protects your privacy and keeps your answers confidential (Title 13, United States Code, Section 9(a)). Your answers may be combined with information that you give to other agencies. By law, the Census Bureau can only use your responses for statistical research. For more information, please visit the Census Bureau's website on combining data: <http://www.census.gov/about/what/admin-data.html>.

- Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data. Disclosure of the information provided to us is permitted under the Privacy Act of 1974 (5 U.S.C. § 552a) and may be shared with other Census Bureau staff for the work-related purposes identified in this statement. Disclosure of this information is also subject to the published routine uses as identified in the Privacy Act System of Records Notice COMMERCE/Census-3, Demographic Survey Collection (Census Bureau Sampling Frame). Furnishing this information is voluntary. Failure to provide this information may affect the Census Bureau's ability to collect information on U.S. housing quality and costs.

PURPOSE7

- Because of the survey, Federal funds are allocated more efficiently. The survey actually saves more money than it costs.
- Government programs, such as (Select any: mortgage assistance, loans, rent assistance, low-cost housing) exist or may exist in the future that you, or someone you know, might participate in.
- The survey results are used to evaluate our progress toward providing each American with decent housing.

1. Enter 1 to continue

PURPOSE8

- It actually saves more money than it costs, because the information is used to allocate housing funds more efficiently.
- To keep costs low, we only interview a sample of households, that's why your participation is so important.
