

Request for Approval for Freedom of Information Act (FOIA) Compliance Assessment Survey

TITLE OF INFORMATION COLLECTION: Office of Government Information Services Agency Freedom of Information Act (FOIA) Compliance Assessment Survey

PURPOSE: The Office of Government Information Services (OGIS) reviews agency Freedom of Information Act (FOIA) policies, procedures and compliance, and identifies procedures and methods for improving compliance. As part of that statutory role, we assess FOIA compliance at individual agencies by visiting agency FOIA programs and reviewing material, agency request files, internal procedures for processing requests, regulations, annual reports to the U.S. Department of Justice, and litigation, among other sources. In line with the National Archives and Records Administration's strategic goal to "Make Access Happen," this survey is a tool to improve OGIS's understanding of the state of an agency's FOIA program, and identify areas for improvement so that FOIA leaders can address issues, and develop and launch strategies to strengthen and improve agency FOIA programs.

DESCRIPTION OF RESPONDENTS: OGIS will send a link to the online poll to the head of the agency's FOIA program who will then distribute the poll to his or her FOIA staff.

TYPE OF COLLECTION: Form poll

THE SELECTION OF YOUR TARGETED RESPONDENTS: At the beginning of each Fiscal Year (FY), OGIS publishes a schedule of agency FOIA programs that it will assess during the FY. A few weeks before the assessment is scheduled to begin, the head of the agency's FOIA program sends the poll to all relevant FOIA staff.

ADMINISTRATION OF THE POLL: OGIS will administer the poll via SurveyMonkey.

SPECIAL NOTE: This poll is similar to the one administered via QuestionPro and, more recently, via SurveyMonkey to NARA FOIA professionals in the Office of General Counsel and the Special Access and FOIA Unit as well as to six component agencies at the Department of Homeland Security (DHS). (We did not administer the survey to the DHS Privacy Office because our assessment looked specifically at compliance with the statutory duties of the Chief FOIA Officer nor did we administer it to the Consumer Financial Protection Bureau or the U.S. Postal Service, both of which have FOIA staffs small enough to interview individual FOIA processors.) Refinements to our assessment process in 2016 as well as changes to the statute by the FOIA Improvement Act of 2016 necessitate these changes.) In September 2017, we are scheduled to assess the FOIA program at U.S. Citizenship and Immigration Services, which reported having 246 full-time FOIA staff in its FY 2016 Annual Report.

THE POLL INSTRUCTIONS AND SCRIPTS ARE ATTACHED.

Agency FOIA Program Compliance Review Survey

Introductory Text

As you may know, your agency's Freedom of Information Act (FOIA) program is being assessed to identify practices your agency does well and to find areas where your agency could use assistance in administering FOIA.

The Office of Government Information Services (OGIS) is the Federal FOIA Ombudsman. FOIA directs OGIS to provide mediation services to help resolve disputes between FOIA requesters and Federal agencies, 5 U.S.C. § 552 (h) (3), and review agency FOIA policies, procedures and compliance, 5 U.S.C. §§ 552(h)(2)(A) and 552(h)(2)(B). Part of OGIS's review program involves assessing individual agency FOIA programs. We will be working with your team to carry out that aspect of OGIS's mission.

Within the next few weeks, OGIS will conduct an on-site assessment of your agency's FOIA program. In advance of our appraisal, OGIS is asking FOIA professionals at your agency to take the following survey regarding your FOIA program.

The survey consists of 24 questions and should take no longer than 10 minutes to complete. Please be sure to answer all questions as accurately as possible. All responses are anonymous and will help inform our conversation when we visit. Thank you in advance for your time and your attention to these questions.
