

Museum Visitor Survey 2020

Please tell us about your visit to the National Archives Museum today. We need your feedback as we continue to improve our facilities. Please complete this survey and hand it to a representative in the return envelope provided (or simply drop the envelope in a mailbox). This survey will take about 12 minutes to complete. Participation is voluntary and your responses will be anonymous. There are no right or wrong answers. If you feel uncomfortable answering any question due to limited experience or any other factor, just write "DK" or "Don't Know" instead of an answer, and move to the next statement. We encourage you to answer as many as you can. Thank you for helping us serve you better.

INSTRUCTIONS: Circle the ONE number following each statement that best indicates the extent to which you agree or disagree with it. For statistical purposes, some statements are positive and some negative, so read each item carefully before you respond.
