Rules 8b-1 to 8b-33

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information discussed below.

Rules 8b-1 to 8b-33 (17 CFR 270.8b-1 to 8b-33) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (“Investment Company Act”) set forth the procedures for preparing and filing a registration statement under the Investment Company Act. These procedures are intended to facilitate the registration process. These rules generally do not require respondents to report information.<sup>1</sup>

The Commission believes that it is appropriate to estimate the total respondent burden associated with preparing each registration statement form rather than attempt to isolate the impact of the procedural instructions under Section 8(b) of the Investment Company Act, which impose burdens only in the context of the preparation of the various registration statement forms. Accordingly, the Commission is not

<sup>1</sup> Although the rules under Section 8(b) of the Investment Company Act are generally procedural in nature, two of the rules require respondents to disclose some limited information. Rule 8b-3 (17 CFR 270.8b-3) provides that whenever a registration form requires the title of securities to be stated, the registrant must indicate the type and general character of the securities to be issued. Rule 8b-22 (17 CFR 270.8b-22) provides that if the existence of control is open to reasonable doubt, the registrant may disclaim the existence of control, but it must state the material facts pertinent to the possible existence of control. The information required by both of these rules is necessary to insure that investors have clear and complete information upon which to base an investment decision.

submitting a separate burden estimate for rules 8b-1 through 8b-33, but instead will include the burden for these rules in its estimates of burden for each of the registration forms under the Investment Company Act. The Commission is, however, submitting an hourly burden estimate of one hour for administrative purposes.

The collection of information under rules 8b-1 to 8b-33 is mandatory. The information provided under rules 8b-1 to 8b-33 is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Rule 15c2-1.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 15c2-1, (17 CFR 240.15c2-1),

under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 15c2-1 (17 CFR 240.15c2-1) prohibits the commingling under the same lien of securities of margin customers (a) with other customers without their written consent and (b) with the broker-dealer. The rule also prohibits the re-hypothecation of customers’ margin securities for a sum in excess of the customer’s aggregate indebtedness. Pursuant to Rule 15c2-1, respondents must collect information necessary to prevent the re-hypothecation of customer securities in contravention of the rule, issue and retain copies of notices of hypothecation of customer securities in accordance with the rule, and collect written consents from customers in accordance with the rule. The information is necessary to ensure compliance with the rule and to advise customers of the rule’s protections.

There are approximately 48 respondents (*i.e.*, broker-dealers that conducted business with the public, filed Part II or Part IICSE of the FOCUS Report, did not claim an exemption from the Rule 15c3-3 reserve formula computation, and reported that they had a bank loan during at least one quarter of the current year) that require an aggregate total of approximately 1,080 hours to comply with the rule. Each of these approximately 48 registered broker-dealers makes an estimated 45 annual responses. Each response takes approximately 0.5 hours to complete. Thus, the total burden per year is approximately 1,080 hours.

The retention period for the recordkeeping requirement under Rule 15c2-1 is not less than two years following the date the notice is submitted. The recordkeeping requirement under this rule is mandatory to assist the Commission in monitoring the respondent who fail to collect the information set by the Commission rule. This rule does not involve the collection of confidential information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
