25. Car Initials and Number or other Identification	26. Quantity (Cargos) or Marked Capacity Per Carlot or Part Carlot	27. Kind of Grain and Reason For Appeal <sup>1</sup> or Review	28. Requested Sample Basis (Check)		29. Date <sup>2</sup> of Original Service	30. Check if Original Certificate For The Service is Attached	31. Remarks
			Official File	New			

<sup>1</sup> List factor(s) and/or other criteria in question. For requests filed in advance, show the scope of the inspection in question.

<sup>2</sup> Show only date of inspection being appealed or weighing service being reviewed.

The conduct of all services and the licensing of (inspecting/grading/sampling) personnel under the regulations governing such services shall be accomplished without discrimination as to race, color, religion, sex, national origin, age or handicap.

## Instructions for Completing FGIS 907

Action by Applicant. Complete items 1 through 18. Return the original to the appropriate FGIS field office and retain a copy for your records.

1. Check the box for the services needed. More than one box may be checked if a combination of services is requested.
2. Check the appropriate box to indicate whether the service is to be performed in the United States or Canada.
3. Check the box indicating the kind and scope of service being requested. For checkweigh, checkload, checkcount services use the remarks section for the specific service requested. Also, for condition of container examinations use the remarks section for this specific service.
4. Enter the type of grain or commodity for the service being requested.
5. Enter the location of the grain or commodity for the service being requested.
6. Enter the contract number if applicable.
7. Enter the carrier or identification for the service being requested.
8. Enter the quantity in pounds, bushels etc., for the grain or commodity to be inspected.
9. For inspections during loading, enter the contract grade along with any special grade or other contract requirements. This information is not applicable to carriers that are to be inspected at rest.
10. Enter the number and kind of containers.
11. Enter the container markings, use the words: "Standard", "Commercial", or "Special" for the type of markings. For "Special" enter the complete container markings in the remarks section. If there are no markings enter "None". For bulk rice, enter "Bulk".
12. Check the box indicating the type of sample required:
13. Enter the name and address of the applicant; i.e., the party that will be billed for the service.
- 13a. Enter the applicant's FGIS Account number.
14. If applicable enter the name and address of the agent or person of interest if any.
15. Enter additional information if necessary.
16. Enter the date the application was prepared.
17. Enter the name of the firm that is requesting the service.
18. Enter the name and signature of the person completing the application.

Action by field office. Review Form FGIS 907. If incomplete, either return the form to the applicant for completion or insert and initial the missing information. Complete items 19 through 24:

19. Enter the name of the person who received the application.
20. Enter the date the application was received.
21. Enter the name of the field office where the application was filed.
22. Enter the amount of fees that are to be assessed.
23. Enter the inspection certificate(s) numbers including the lettered prefix.
24. Enter any additional pertinent information.

Action by Applicant. For appeal, Board appeal or review services complete items 25 through 31.

25. Use the lot, carrier, or other identification shown on the certificate for the service in question. Identify a barge by name, number and any letterhead prefixes and suffixes; a railcar by its initials and number; a truck or trailer by license number and name or abbreviation of State (include time of sampling when necessary); and a vessel its name preceded by its means of propulsion (M/T, M/V, S/S, etc.)
26. Enter the quantity in terms of bushels, pounds, weight loaded or unloaded, or to be loaded or unloaded for cargos. For a lot of sacked grain, also enter the type, number, and weight of sacks; e.g., 6000, 100-lb cotton sacks. For a truckload or trailerload, show truckload, trailerload, part-truckload or part-trailerload as the case may be. For a railcar, enter the marked capacity of the carrier or "over 130 000 lb" or under 130 000 lb" as the case may be.
27. Enter the grain and reason for the appeal, Board appeal, or review; e.g., the grade determining factors or other criteria. For requests filed in advance, show the kind of grain and contract grade.
28. Enter the sample basis desired for the appeal inspection. All Board appeal inspections will be performed on the basis of the official file sample.
29. Enter the date of the original service. For applications filed in advance of loading, enter the expected date and time of loading if possible.
30. Indicate whether the original certificate for the inspection being appealed is attached. If the certificate is not attached, explain in item 31.
31. Enter any additional pertinent information.

#### **CONTACT INFORMATION:**

Contact the field office responsible for the geographic area in which the service will be provided. Details for these locations can be found on the [FGIS website](#). The signed form should also be mailed to this location. For further information on the Application for Inspection and Weighing Services contact:
