INSTRUCTIONS FOR SUBMITTING A CONTRACT SERVICE AGREEMENT

- A. Applicants for grain inspection and weighing services in areas served by a Federal Grain Inspection Service (FGIS) field office may enter into a service commitment with the field office in order to ensure timely services and to obtain lower inspection and weighing charges.
1. A commitment (contract) service is an agreement whereby the applicant agrees to pay for 8 hours of service per day for a predetermined number of official personnel, for at least 5 consecutive days per week.
 2. FGIS in turn, agrees to make official personnel available to the applicant for the specified period and to perform all requested services at reduced hourly rates.
 3. All hours of service worked in excess of the commitment are charged at the no commitment rate.
 4. Service charges are not assessed under commitment service for recognized federal holidays when, upon request of the applicant, service is not performed. The applicant is requested to make this request not later than 2 p.m. the preceding business day.
- B. To enter into a commitment service agreement, the applicant must provide the appropriate FGIS field office with 60 days written notice specifying the proposed effective date of the commitment. A commitment may become effective prior to the proposed effective date with the consent of both parties.
- C. To terminate a commitment service agreement, the applicant must provide the appropriate FGIS field office with 60 days written notice specifying the date of termination. However, a commitment agreement may be terminated at any time by mutual consent of both parties.
- D. FGIS reserves the right to:
1. Determine the number of official personnel needed to perform the service for a commitment applicant, which may be different than the number of official personnel under commitment;
 2. Terminate a commitment agreement by giving the applicant 60 days written notice specifying the date of termination; and
 3. Temporarily reassign official personnel from a commitment applicant when, in the opinion of FGIS, the official personnel are not needed to perform service for the commitment applicant.
