(3) Notwithstanding any other provision of law, a household shall not participate in the supplemental nutrition assistance program at any time that any member of such household, not exempt from the work registration requirements of paragraph (1) of this subsection, is on strike as defined in section 501(2) of the Labor Management Relations Act, 1947, [(29 U.S.C. 142(2))] because of a labor dispute (other than a lockout) as defined in section 2(9) of the National Labor Relations Act [(29 U.S.C. 152(9))]; *Provided*, That a household shall not lose its eligibility to participate in the supplemental nutrition assistance program as a result of one of its members going on strike if the household was eligible immediately prior to such strike, however, such household shall not receive an increased allotment as the result of a decrease in the income of the striking member or members of the household: *Provided further*, That such ineligibility shall not apply to any household that does not contain a member on strike, if any of its members refuses to accept employment at a plant or site because of a strike or lockout.

(4) EMPLOYMENT AND TRAINING.—

(A) IN GENERAL.—

(D)(i) Each State agency may exempt from any requirement for participation in any program under this paragraph categories of household members.

(ii) Each State agency may exempt from any requirement for participation individual household members not included in any category designated as exempt under clause (i).

(iii) Any exemption of a category or individual under this subparagraph shall be periodically evaluated to determine whether the exemption continues to be valid.

Individuals subject to the program under this paragraph may not be required to participate if dependent costs exceed the limit established by the State agency under this subclause or other actual costs exceed any limit established under subclause (I).

(ii) In lieu of providing reimbursements or payments for dependent care expenses under clause (i), a State agency may, at its option, arrange for dependent care through providers by the use of purchase of service contracts or vouchers or by providing vouchers to the household.

7 CFR 273.7(c)(9)-(11)

(9) The State agency will submit an E&T Program Activity Report to FNS no later than 45 days after the end of each Federal fiscal quarter. The report will contain monthly figures for:

(i) Participants newly work registered;

(ii) Number of ABAWD applicants and recipients participating in qualifying components;

(iii) Number of all other applicants and recipients (including ABAWDs involved in non-qualifying activities) participating in components; and

(iv) ABAWDs subject to the 3-month time limit imposed in accordance with §273.24(b) who are exempt under the State agency's 15 percent exemption allowance under §273.24(g).

(10) The State agency will submit annually, on its first quarterly report, the number of work registrants in the State on October 1 of the new fiscal year.

(11) The State agency will submit annually, on its final quarterly report:

(i) A list of E&T components it offered during the fiscal year and the number of ABAWDs and non-ABAWDs who participated in each; and

(ii) The number of ABAWDs and non-ABAWDs who participated in the E&T Program during the fiscal year. Each individual must be counted only once.

7 CFR 273.7(d)(1)(i)(D)

(D) If a State agency will not obligate or expend all of the funds allocated to it for a fiscal year under paragraph (d)(1)(i)(B) of this section, FNS will reallocate the unobligated, unexpended funds to other State agencies during the fiscal year or the subsequent fiscal year on a first come-first served basis. Each year FNS will notify all State agencies of the availability of carryover funding. Interested State agencies must submit their requests for carryover funding to FNS. If the requests are determined reasonable and necessary, FNS will allocate carryover funding to meet some or all of the State agencies' requests, as it considers appropriate and equitable. The factors that FNS will consider when reviewing a State agency's request will include the size of the request relative to the level of the State agency's E&T spending in prior years, the specificity of the State agency's plan for spending carryover funds, and the quality of program and scope of impact for the State's E&T program and proposed use of carryover funds.
