Subject: Official Request from the U.S. Census Bureau – Special Coronavirus Survey

**A Message from the Director, U.S. Census Bureau
(Para más información en español, vea al final de este mensaje)**

The Census Bureau is asking for you to participate in a special COVID-19 survey, called the Household Pulse Survey. Your response to this survey is critical to supporting our nation’s recovery.

https:<insert link>

This survey is separate from the 2020 Census. Americans are facing significant changes in their finances, employment, health, education, and interactions with friends and family from the COVID-19 pandemic,. . Your answers, combined with other households across the country, can guide federal, state and local policymakers in making decisions that support our nation’s communities in their recovery.

While your participation is voluntary, it is important. This survey provides information that cannot be found elsewhere.

Thank you in advance for your time and participation. My sincere wishes for your good health and safety during this challenging time.

Sincerely,

Steven D. Dillingham
Director
U.S. Census Bureau

OMB Number

This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number is 0607-1013 and will appear at the bottom of each screen. Without this approval, we could not conduct this survey.

Authority and Confidentiality

Title 13, United States Code, authorizes the U.S. Census Bureau to conduct this collection and to request your voluntary assistance.

Subject: Reminder from the U.S. Census Bureau – Urgent COVID19 Survey

A Message from the Director, U.S. Census Bureau (Para más información en español, vea al final de este mensaje)

A few days ago, we sent you an email asking for your help with a short survey on the COVID-19 pandemic, the Household Pulse Survey. This survey is being conducted by the U.S. Census Bureau and is available for the next four days only.

The Household Pulse Survey is available here:

https:<insert link>

Your answers to the Household Pulse Survey can guide federal, state and local policymakers in making decisions that support our nation's communities at this critical time. While your participation is voluntary, it is very important. This survey provides information that cannot be collected elsewhere on Americans' finances, educational opportunities, employment, and mental health during this pandemic.

Thank you in advance for your time and participation. My sincere wishes for your good health and safety during this challenging time.

Sincerely,

Steven D. Dillingham
Director
U.S. Census Bureau
