BILLING CODE 6335-01-P

DEPARTMENT OF COMMERCE

Census Bureau

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Household Pulse Survey

On October 31, 2020, the Department of Commerce received clearance from the Office of Management and Budget (OMB) in accordance with the Paperwork Reduction Act of 1995 to conduct the Household Pulse Survey (OMB No. 0607-1013, Exp. 10/31/23). The Household Pulse Survey was designed to meet a need for timely information associated with household experiences during the Covid-19 pandemic.

The Department is committed to ensuring that the data collected by the Household Pulse Survey continue to meet information needs as they may evolve over the course of the pandemic. This notice serves to inform of the Department's intent to request clearance from OMB to make some revisions to the Household Pulse Survey questionnaire. To ensure public burden is not increased, the revisions would reflect the removal of questions for which utility has declined over time, and the addition of topics based on public comment previously received and in consult with other Federal agencies. New questions would relate to disability, child health access, telehealth and childcare. In addition, given the time-critical circumstances, questions on intention to receive the Covid-19 vaccine were added via a request approved by OMB on December 30, 2020 to coincide with the availability of vaccines; questions previously approved by OMB relating to the economic stimulus payments were also released into production once payments began to be issued.

It is the Department's intention to commence data collection using the revised instrument on or about March 1, 2021. The Department invites the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously sought on the Household Pulse Survey via the **Federal Register** on May 19, 2020 and again on June 3, 2020. This notice allows for an additional 30 days for public comments on the proposed revisions.

Agency: U.S. Census Bureau.

Title: Household Pulse Survey.
OMB Control Number: 0607–1013.
Form Number(s): None.

Type of Request: Request for a Revision of a Currently Approved Collection.

Number of Respondents: 3,150,000.
Average Hours per Response: 20 minutes.

Burden Hours: 1,039,500.

Needs and Uses: Data produced by the Household Pulse Survey are designed to inform on a range of topics related to households' experiences during the Covid-19 pandemic. Topics to date have included employment, facility to telework, travel patterns, income loss, spending patterns, food and housing security, access to benefits, mental health and access to care, and educational disruption (K–12 and post-secondary). The requested revision, if approved by OMB, will remove selected items from the questions for which utility has declined and add questions based on information needs expressed via public comment and in consult with other Federal agencies. The overall burden to the public will remain unchanged. The new items relate to disability, child health access, telehealth and childcare; additionally, questions on individuals' intention to receive the Covid-19 vaccine were added with OMB's approval on December 30, 2020, and questions previously approved regarding economic stimulus payments were launched into production once payments began to be issued.

The Household Pulse Survey was initially launched in April, 2020 as an experimental project (see <https://www.census.gov/data/experimental-data-products.html>) under emergency clearance from the Office of Management and Budget (OMB) initially granted April 19, 2020; regular clearance was subsequently sought and approved by OMB on October 30, 2020 (OMB No. 0607–1013; Exp. 10/30/2023).

DEPARTMENT OF COMMERCE

Bureau of Industry and Security

In the Matter of: Issam Hamade, Beirut, Galerie Semaan, Behind Karout Mall, Kalaa Building 3rd Floor, Beirut, Lebanon; Order Denying Export Privileges

On April 27, 2020, in the U.S. District Court for the District of Minnesota, Issam Hamade (“Hamade”), was convicted of violating 18 U.S.C. 371. Specifically, Hamade was convicted of conspiring to export parts and technology from the United States to Lebanon, and specifically to Hizballah, for among other purposes, inclusion in unmanned aerial vehicles, without obtaining the required export licenses under the Export Administration Regulations or under the International Traffic in Arms Regulations. Hamade was sentenced to time served and a \$100 special assessment.

Pursuant to Section 1760(e) of the Export Control Reform Act (“ECRA”),¹ the export privileges of any person who has been convicted of certain offenses, including, but not limited to, 18 U.S.C. 371, may be denied for a period of up to ten (10) years from the date of his/her conviction. 50 U.S.C. 4819(e) (Prior Convictions). In addition, any Bureau of Industry and Security (BIS) licenses or other authorizations issued under ECRA, in which the person had an interest at the time of the conviction, may be revoked. *Id.*

BIS received notice of Hamade's conviction for violating 18 U.S.C. 371, and has provided notice and opportunity for Hamade to make a written submission to BIS, as provided in Section 766.25 of the Export Administration Regulations (“EAR” or

the “Regulations”). 15 CFR 766.25.² BIS has not received a written submission from Hamade.

Based upon my review of the record and consultations with BIS's Office of Exporter Services, including its Director, and the facts available to BIS, I have decided to deny Hamade's export privileges under the Regulations for a period of 10 years from the date of Hamade's conviction. I have also decided to revoke any BIS-issued licenses in which Hamade had an interest at the time of his conviction.³

Accordingly, it is hereby *ordered*:

First, from the date of this Order until April 27, 2030, Issam Hamade, with a last known address of Beirut, Galerie Semaan, Behind Karout Mall, Kalaa Building 3rd Floor, Beirut, Lebanon, and when acting for or on his behalf, his successors, assigns, employees, agents or representatives (“the Denied Person”), may not directly or indirectly participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as “item”) exported or to be exported from the United States that is subject to the Regulations, including, but not limited to:

A. Applying for, obtaining, or using any license, license exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or engaging in any other activity subject to the Regulations; or

² The Regulations are currently codified in the Code of Federal Regulations at 15 CFR Parts 730–774 (2020). The Regulations originally issued under the Export Administration Act of 1979, as amended, 50 U.S.C. 4601–4623 (Supp. III 2015) (“EAA”), which lapsed on August 21, 2001. The President, through Executive Order 13,222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), which was extended by successive Presidential Notices, continued the Regulations in full force and effect under the International Emergency Economic Powers Act, 50 U.S.C. 1701, *et seq.* (2012) (“IEEPA”). Section 1768 of ECRA, 50 U.S.C. 4826, provides in pertinent part that all rules and regulations that were made or issued under the EAA, including as continued in effect pursuant to IEEPA, and were in effect as of ECRA's date of enactment (August 13, 2018), shall continue in effect according to their terms until modified, superseded, set aside, or revoked through action undertaken pursuant to the authority provided under ECRA. *See* note 1 above.

³ The Director, Office of Export Enforcement, is now the authorizing official for issuance of denial orders, pursuant to recent amendments to the Regulations (85 FR 73411, November 18, 2020).

¹ ECRA was enacted as part of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, and as amended is codified at 50 U.S.C. 4801–4852. Hamade's conviction post-dates ECRA's enactment on August 13, 2018.
