## ***PUBLIC REPORTING BURDEN STATEMENT***

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0516. Without this approval, we could not conduct this information collection. Public reporting for this information collection is estimated to be approximately 6 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are mandatory and required to manage commercial fishing efforts under 50 CFR part 680, under section 402(a) of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801, *et seq.*), and under 16 U.S.C. 1862(j). Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to Assistant Regional Administrator, Sustainable Fisheries Division, NMFS, Alaska Region, P.O. Box 21668, Juneau, AK 99802- 1668.

## ***PRIVACY ACT STATEMENT***

**Authority:** The collection of this information is authorized under the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C 1801 *et seq.*

**Purpose:** In order to manage the king and Tanner crab fisheries in the Bering Sea/Aleutian Islands (BSAI) management area, NOAA requires that harvesters and processors abide by an arbitration system established to stabilize prices and negotiations during the crab harvest season. The arbitration system is necessary to reduce contention in price negotiations. The information collected is necessary to verify the membership of the arbitration organizations.

**Routine Uses:** The Department will use this information to maintain the arbitration system. All information collections by NMFS, Alaska Region, are protected under confidentiality provisions of section 402(b) of the Magnuson-Stevens Act as amended in 2006 (16 U.S.C. 1801, *et seq.*) and under NOAA Administrative Order 216-100, which sets forth procedures to protect confidentiality of fishery statistics. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a), to be shared within NMFS offices, in order to coordinate monitoring and management of sustainability of fisheries and protected resources, as well as with the applicable State or Regional Marine Fisheries Commissions and International Organizations. Disclosure of this information is also subject to all of the published routine uses as identified in the [Privacy Act System of Records Notice COMMERCE/NOAA-19](#), Permits and Registrations for the United States Federally Regulated Fisheries.

**Disclosure:** Furnishing this information is required to retain the benefits of the Arbitration Organization, which was implemented with the BSAI Crab Rationalization Program.
