Privacy Act Statement - Authority: The collection of this information is authorized under the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C 1801 *et seq.*). Purpose: In order to manage U.S. fisheries, the National Marine Fisheries Service (NMFS) requires the use of registrations by participants in the United States. Information on NMFS forms can include vessel owner contact information and vessel descriptive information. Permit holder information may be used as sampling frames for surveys, as part of fishery management council analysis to support its decisions. Routine Uses: The Commerce Department will use the requested information to ensure proper operation of the VMS unit and to identify fishery participants. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a), to be shared within NMFS offices, to coordinate monitoring and management of sustainability of fisheries and protected resources, as well as with the applicable state or regional marine fisheries commissions and international organizations. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notice COMMERCE/NOAA-19, Permits and Registrations for the United States Federally Regulated Fisheries. Disclosure: Furnishing this information is mandatory. Failure to provide complete and accurate information will prevent the determination of eligibility.
