PAPERWORK REDUCTION ACT STATEMENT:

The NMFS requires this information for the conservation and management of marine fishery resources. This reporting is required and is authorized under 50 CFR 622.5(a)(1)(v). These data will be used to evaluate the economic effects of proposed regulations in the fishery. Public reporting burden for this collection of information is estimated to average 30 minutes per response including the time for reviewing the instructions, searching the existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspects of this burden to Christopher Liese, National Marine Fisheries Service, 75 Virginia Beach Drive, Miami, Florida 33149. Information submitted will be treated as confidential in accordance with NOAA Administrative Order 216-100. Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection displays a currently valid OMB Control Number.
