

**“Generic Clearance for the Collection of Quantitative Data on Tobacco Products  
and Communications”**

**(OMB Control Number 0910-0810)**

**Change Request**

**January 19, 2021**

The Food and Drug Administration is submitting this non-substantive change request to add 5,300 burden hours. The new estimated total is 25,041 hours. FDA will use these hours to seek OMB approval for remaining studies prior to seeking an extension of the umbrella information collection. No other changes are occurring.
