Statutory Authority

Section 738 (a) of the Public Health Service Act (PHS), (42 USC 293b (a)), as amended.

Purposes and Uses

The purpose of the Faculty Loan Repayment Program (FLRP) is to provide loan repayment assistance to faculty members from economically and environmentally disadvantaged backgrounds with eligible health professions degrees or certificates to serve at eligible academic institutions. The goal of FLRP is to decrease the economic barriers associated with pursuing careers as academic faculty. The information that applicants supply will be used to evaluate their eligibility, qualifications, and suitability for participating in the FLRP. In addition, information from other sources will be considered (e.g., credit bureau reports).

An individual's application, required supplemental forms, supporting documentation, related correspondence, contract, and data are maintained in a system of records to be used within the U.S. Department of Health and Human Services (HHS) to monitor FLRP activities. The information may also be disclosed outside the Department, as permitted by the Privacy Act and Freedom of Information Act, to the Congress, the National Archives, and the Government Accountability Office, and pursuant to court order and various routine uses described in [System of Record Notice 09-15-0037](#).

Effects of Nondisclosure

Disclosure of the information sought is voluntary; however, if not volunteered, except for the replies to questions related to race/ethnicity, an application may be considered incomplete and therefore may not be considered for funding under this announcement.

Paperwork Reduction Act Public Burden Statement

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0915-0150 and it is valid until 08/31/2021. This information collection is voluntary. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857 or paperwork@hrsa.gov.

Non-Discrimination Policy Statement

In accordance with applicable federal laws and U.S. Department of Health and Human Services policy, the Department does not discriminate on the basis of any non-merit factor, including race, color, national origin, religion, sex, sexual orientation, gender identity, disability (physical or mental), age, status as a parent or genetic information.

Program Overview

Please read the Application and Program Guidance (Guidance) in its entirety before proceeding with application. The Guidance explains in detail the rights and obligations of individuals selected to participate in the FLRP. Applicants are strongly encouraged to print and retain a copy of the Guidance for future reference. The Guidance explains the contractual obligations between the U.S. Secretary of Health and Human Services (Secretary of HHS) and individuals selected to participate in the FLRP. It also includes the financial, legal and other consequences of failing to perform the mandatory service commitment associated with the FLRP award. Individuals who are unable to fulfill the two-year service obligation should not apply for a FLRP award.

An applicant may withdraw the application at any time prior to the Secretary of HHS or designee signing the FLRP contract to remain eligible to re-apply in the future. Individuals who are uncertain whether they will be able to fulfill a two-year service commitment should not apply.

IMPORTANT: Refer to the "[Definitions](#)" provided in the "[Additional Information](#)" section of the Guidance for further explanation of terms used throughout this document.

INTRODUCTION

The FLRP is administered by the Bureau of Health Workforce (BHW) in the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS). The FLRP provides eligible faculty members financial assistance to repay a portion of their qualifying educational loans in exchange for a full or part time service at an eligible health professions schools.

Benefits of the FLRP

- (1) **Mentorship** – By joining past and current FLRP participants across the country, participants have the opportunity to educate and train the next generation of health professionals.
- (2) **Loan Repayment** – FLRP will provide funds to participants to repay a portion of their outstanding qualifying educational loans. FLRP awards a lump sum up to a maximum of \$40,000 for a two-year service obligation. Applicants are eligible to apply to FLRP if they are employed by an eligible health professions school as a full-time or part-time faculty member.
- (3) **Tax Withholding** – To assist participants in meeting their federal tax liability from receipt of loan repayment funds, FLRP withholds and pays directly to the Internal Revenue Service (IRS) an amount equal to 39 percent of the total loan repayment award, on the participant's behalf.

ELIGIBILITY REQUIREMENTS AND AWARD PROCESS

Eligibility Requirements

To be eligible for a FLRP award, all applicants must:

- (1) Be a U.S. citizen (either U.S. born or naturalized), U.S. National or Lawful Permanent Resident, and provide documentation of their status. Acceptable documents include: a U.S. birth certificate, an unexpired U.S. passport ID page of U.S. Passport Card, a Certificate of Citizenship, a Naturalization Certificate, a state Enhanced Driver's License, or a Permanent Resident Card (Green Card). Please note that a state driver's license, health profession license, Social Security Card or valid state ID are not acceptable proof of citizenship or permanent residency.

- (2) Be from an economically or environmentally disadvantaged background. The applicant must provide certification from a health professions school previously attended that identifies the individual as coming from an economically or environmentally disadvantaged background. Applicants also have the option of submitting additional documentation to satisfy the economic or environmental factors that are listed in the “[Definitions](#)” section of the Guidance.

Economically Disadvantaged – An individual who comes from a family with an annual income below a level based on low-income thresholds according to family size published by the U.S. Bureau of the Census, adjusted annually for changes in the Consumer Price Index, and adjusted by the Secretary of HHS for use in health professions and nursing programs.

Environmentally Disadvantaged – An individual who comes from an environment that has inhibited the person from obtaining the knowledge, skills, and abilities required to enroll in, and graduate from, an undergraduate or graduate school based on a number of factors.

- (3) Have a degree or certificate in one of the following eligible health professions disciplines:
- a. Allopathic Medicine;
 - b. Osteopathic Medicine;
 - c. Podiatric Medicine;

By the application deadline of June 25, 2020, an applicant in the final year of study or in an approved graduate training program must submit a letter of good standing from the Program Director indicating the expected date of graduation. The individual must graduate no later than June 25, 2020, to be eligible for a FLRP award.

- (4) Have an employment commitment from an eligible health professions school for a full-time or part-time (as defined by the school) faculty position for a minimum of two years with employment to commence on or before June 25, 2020. Eligible health professions schools must be located in a state or U.S. territory, and be an eligible, public or private non-profit school in:

This agreement is not required if the school has submitted a request for a full or partial waiver of the match requirement. The match requirement is in addition to the salary that the faculty member will receive from the employing institution.
- (6) Applicants must provide an official agreement from the employing institution stating the type of match (full or partial) that it will provide to the employee for the two-year service period. For a partial match, the intended percentage or amount must be stated in the official agreement. For institutions that are unable to provide matching loan repayments, applicants must provide an official letter from the employer requesting a full or partial waiver with supporting documentation justifying the undue financial hardship necessary for a waiver to be granted. (See [Employing Institution Requirements](#))

Applicants are deemed **ineligible** if they:

- (1) Have any judgment liens arising from a federal debt;
- (2) Have an outstanding contractual obligation or existing service obligation, not completed by the application deadline, (*e.g.*, the National Health Service Corps Loan Repayment Program, the State Loan Repayment Program, the Nurse Corps Loan Repayment Program, the Nurse Faculty Loan Program, any local or state-sponsored loan repayment or forgiveness programs, any employer-sponsored scholarship or recruitment/retention incentive programs, or Active Duty military obligation) that will not be satisfied by the application submission deadline.

Exception - Individuals in a Reserve component of the Armed Forces, including the National Guard are eligible to participate in the FLRP

- (3) Have defaulted on any federal payment obligations (*e.g.*, Health Education Assistance Loans, Federal Housing Administration Loans, federal income tax liabilities, federally guaranteed/insured loans such as student loans or home mortgage loans) or non-federal payment obligations (*e.g.*, court-ordered child support payments);
- (4) Have defaulted on a prior service obligation to federal, state, or local government even if they subsequently satisfied that obligation through service, monetary payment, or by other means;

- (6) Are currently excluded, debarred, suspended, or disqualified by a federal agency from financial and nonfinancial assistance and benefits under Federal programs and activities;
- (7) Have a temporary, restricted or inactive health professions license.

Qualifying and Non-Qualifying Educational Loans

- (1) **Qualifying Educational Loans** include government and private (commercial) loans that have a current outstanding balance for actual costs paid for tuition and reasonable educational and living expenses incurred.
- (2) **Consolidated Educational Loans** – An applicant may consolidate or refinance loans before the application deadline provided that the individual submits loan documentation for the consolidated or refinanced loans at the time of online application submission. If the loan documentation is not received by the application deadline and the consolidation loan does not appear on the online application, the consolidated or refinanced loan(s) will not be considered for repayment. The original loan dates for the consolidated or refinanced loans must coincide with the time period of the applicant's qualifying education. The consolidated/refinanced loan must be from a government (federal, state, or local) or private commercial lender and must include only qualifying educational loans of the applicant. If an applicant consolidates qualifying educational loans with other ineligible debt or with loans of another individual, the entire consolidated loan is ineligible.
- (3) **Non-Qualifying Loans** include, but are not limited to:
 - a. Loans for undergraduate or graduate education for which the supporting documentation does not identify the loan as applicable for an eligible health profession;
 - b. Loans obtained from family members or from private institutions, lenders or other entities that are not subject to federal or state examination and supervision as lenders;
 - c. Loans that have been paid in full;
 - d. Parent PLUS Loans (including **ALL** loans made to parents);
 - e. Credit card debt or personal lines of credit;
 - f. Loans subject to cancellation (*e.g.*, federal Perkins Loans, loans for faculty employment at tribal college or university; Nurse Faculty Loan Program Loans, Nursing Student Loans), **unless the applicant can provide documentation that such loans are not subject to cancellation;** and
 - g. Loans made after the applicant's qualifying health professions education.

Employing Institution Requirements

The employing institution must be an eligible health professions school and must satisfy the following requirements:

- (1) **Employment Contract (required for applicants serving as non-tenured faculty members).** The employing institution must provide a contract to the applicant stating that the individual will serve as either a full-time or part-time (as defined by the school) faculty member for a minimum of two years. The contract must be submitted as part of the FLRP application;
- (2) **Letter of Employment (required for applicants serving as tenured or non-tenured faculty members).** The employing institution must provide a letter on official letterhead to indicate that

the applicant will serve as a full-time or part-time (as defined by the school) faculty member for a minimum of two years and must be submitted as part of the FLRP application; and

- (3) **Loan Repayment Agreement (LRA) or the Waiver of an Employer’s Match Loan Repayment Requirement.** The employing institution must enter into a written agreement with the applicant to match loan repayments in the same amount made by the FLRP or must request and be granted a full or partial waiver of the loan repayment requirement.
- a. **Loan Repayment Agreement.** The LRA must provide the following information:
- i. The employing institution will make payments of principal and interest due on the educational loans of the faculty member in the same amount as made by HHS under the two-year FLRP contract (the maximum amount is \$40,000 for two years);
 - ii. In addition to the loan repayments, the faculty member will receive a salary from the employing institution. The amount of the faculty member’s salary will be determined without regard to the amount of the payments made by HHS under the two-year FLRP contract.
- b. **Waiver of Employer’s Loan Repayment Match Requirement.** The Secretary of HHS or designee may waive all or part of the employing institution’s match requirement if the school submits written justification that the requirement would impose an undue financial hardship. The following are examples of documentation that would support a waiver request:
- i. Documentation of diminished financial resources (*e.g.*, consistent budget cuts, reduced earnings on endowments, or unexpected expenditures), such that payment of all or part of the matching loan repayment funds would impose an undue financial hardship; or
 - ii. Documentation showing that the institution is engaged in collective bargaining agreement(s) that prohibits such differential compensation or that would require the institution to provide a similar amount of support for faculty not covered under the FLRP.

In instances where the employing institution requests a partial waiver, the employing institution must also enter into a written agreement with the applicant to pay the remaining amount of the loan repayment match outlined in subsection (3) a. above.

- (4) **Completion of “Institution Employment/Loan Repayment Verification Form.”** The employing institution must complete the Employment/Loan Repayment Verification Form and return it to the applicant. The form provides employment information and verification that the applicant will serve as a faculty member for a minimum of two years and information regarding the institution’s ability to make loan repayments.

Match Process

The FLRP selects loan repayment awardees based on a funding tier that determines the sequential order of awards to be made to eligible and qualified applicants. The selection tiering is based on:

- (1) Amount of matching funds provided by the applicant’s employing institution.

The match categories are as follows:

- (1) Full match of the HHS level of loan repayments
- (2) Partial match of the HHS level of loan repayments (*i.e.*, < 100% match); or

(3) No match.

Awards are made starting with full match, then partial match (from greatest percentage match to least partial match), then no match. (Please note: For the "partial match" and "no match" statuses, the applicant's employing institution must have received approval for a partial or full waiver of the matching requirement); and

(2) Employment status (i.e., within each match category, applicants working full-time are given preference over applicants working part-time).

FUNDING TIER	EMPLOYMENT STATUS/INSTITUTIONAL MATCH
First Tier	1. Full Time with Full (100%) Match 2. Part Time with Full (100%) Match
Second Tier	1. Full Time with Partial (< 100%) Match/Waiver 2. Part Time with Partial (< 100%) Match/Waiver
Third Tier	1. Full Time with No (0%) Match/Waiver 2. Part Time with No (0%) Match/Waiver

Within each tier, awards are made in order of decreasing financial need until all funds are expended. Please note, partial match awards are made in order of greatest partial match and then in order of decreasing financial need.

Award Process

Participants will receive a FLRP award notice and the following documents instructing them how to access the [BHW Customer Service Portal](#):

- 1) Award Letter
- 2) Site Letter
- 3) Welcome Packet
- 4) Participant Award Worksheet

The award payment is made in one lump sum approximately 60 days after the effective date of the contract. The payment is an electronic funds transfer to the participant's checking or savings account via the bank routing number identified on the banking information submitted by the participant. Participants must keep all banking information updated and current.

Participants must use all FLRP payment received to pay the lenders or holders of their qualifying educational loans.

If, for any reason, a participant does not receive a scheduled payment, contact the FLRP through the [BHW Customer Service Portal](#) or Customer Care Center at 1-800-221-9393. If the FLRP has any questions concerning a participant's eligibility for continued payments, the FLRP will delay payments pending the verification of the participant's compliance with the service obligation. Participants must immediately notify the FLRP of any changes in their service site or employment status.

Applicants selected for a FLRP award will receive an email via the [BHW Customer Service Portal](#) no later than September 30, 2020. At that time, the applicants will be required to verify that they are still working at the

eligible health professions school that is identified in the online application. **An email notifying an applicant that the applicant was selected does not guarantee a FLRP award. Once an applicant is selected for an award, the participant will be provided with information to login to the [BHW Customer Service Portal](#).**

Award History

FLRP is a highly competitive program and awards are subject to the availability of funds. Historically, FLRP funds are expended prior to the funding of all eligible applications.

Fiscal Year	# of Eligible Applications Received	# of Initial Awards Made
2019	137	22
2018	164	23
2017	189	22

UNDERSTANDING THE CONTRACT AND SERVICE OBLIGATION

Service Obligation

FLRP participants will receive up to a maximum of \$40,000, for a full-time or part-time two-year service obligation.

Salary and Benefits

The employing institution cannot guarantee a FLRP contract. FLRP participants will receive a salary and benefits from the employing health professions school. Employment compensation packages including salary are negotiable between the participant and the employer. Please note that FLRP loan repayments should not be a part of the compensation negotiations.

FLRP TAXES AND FINANCIAL IMPLICATIONS

The FLRP payments are subject to federal income tax and Federal Insurance Contributions Act (FICA) taxes (Social Security and Medicare). Taxes are paid directly to the IRS on the participant's behalf. All FLRP payments and federal taxes withheld are reported to the participant and the IRS on a Form W-2 Wage and Tax Statement, after the end of the tax year.

Loan repayments may also be subject to state and local income taxes. Loan repayments paid to the participant after federal tax withholding may **only** be used to repay qualifying educational loans. HRSA does not provide tax advice, and all tax questions should be directed to a tax professional or the IRS through the TAX HELP LINE at (800) 829-1040.

You may also take advantage of the option to select and receive your Form W-2, Wage and Tax Statement electronically. To do so, you must make your request, no later than January 15, 2021. To access your W-2 electronically in your [BHW Customer Service Portal](#) account, please follow the instructions listed below.

Instructions for Requesting a Form W-2 Wage and Tax Statement Electronically by January 15, 2021

1. Login to your [BHW Customer Service Portal](#) Account.

2. Under the “Need Assistance” section, select the “Set My Tax Document Delivery Preference” link.
3. Read the Agreement.
4. Select your delivery preference.
5. Click the “Submit” button.

If you do not submit a request to receive your Form W-2 Wage and Tax Statement electronically before January 15, 2021, it will be mailed to your address on file in the [BHW Customer Service Portal](#). It is critical that your name, mailing and email addresses, and banking information are kept up to date.

All online Form W-2 Wage and Tax Statements will be posted no later than January 31 of each year. If your W-2 form is not available by that date, please submit an inquiry via the [BHW Customer Service Portal](#).

Under the Treasury Offset Program, the U.S. Department of the Treasury is authorized to offset FLRP payments for delinquent federal and state debts, including delinquent child support.

Important Notes:

- (1) Participants must use the FLRP payments to pay the lenders or holders of their qualifying educational loans listed on the Participant Award Worksheet (PAW) provided with the award notice.
- (2) Participants can update their personal information, name changes, email and mailing addresses, telephone numbers or banking information at any time via the [BHW Customer Service Portal](#). If a participant has a name change, you must notify FLRP immediately and submit legal documentation such as a copy of a marriage certificate or court order document to ensure uninterrupted disbursements of loan repayment funds. A copy of a driver’s license is not acceptable.
- (3) Participants must also notify the FLRP of changes in employment status, including extended periods of leave. Participants must request a transfer if considering changing schools, at least one month in advance of the proposed change. Before FLRP’s consideration and approval of a transfer, the participant must comply with all eligibility requirements.
- (4) Participants who were previously awarded a FLRP contract may apply for a **new** two-year contract if they have:
 - a. Completed the previous FLRP service obligation in good standing;
 - b. Outstanding qualifying educational loans; and
 - c. Provided a payment history showing that all previously awarded FLRP funds were applied to repay approved qualifying educational loans.

SERVICE REQUIREMENTS

Service Obligation Life Cycle

The FLRP contract becomes effective when countersigned by the Secretary of HHS or designee. Once the FLRP contract is countersigned, a participant will receive a FLRP award notice with instructions in the [BHW Customer Service Portal](#). A FLRP participant must provide full or part-time service (as defined by the school) as a faculty member at an eligible health professions school for a period of two consecutive years beginning on the effective date of the contract. A participant’s start date will be the date the Secretary of HHS or the designee countersigns the FLRP contract, or the date the participant commences employment at the eligible health professions school, whichever is later. An applicant’s signature alone on the FLRP

contract does not constitute a contractual agreement. Employment prior to the Secretary of HHS' countersigning the FLRP contract does not count toward the fulfillment of the service obligation. Under the FLRP guidelines, a participant must fulfill the two-year service obligation at the employing institution identified in the online application. A faculty member position must primarily consist of teaching (as defined by the employing institution).

PROGRAM COMPLIANCE

Worksite Absences

No more than 7 weeks (35 workdays) of the participant's scheduled work period of 9 to 12 months per service year under the contract may be spent away from the health professions school. Any leave/absences totaling greater than 7 weeks (35 workdays) in a service year will extend the contract end date. During that time, a participant will not earn service credit.

Service Verification

The FLRP verifies every six months that participants are in current compliance with the service obligation. By completing and signing the online In-Service Verification (ISV), the participant and the Point of Contact (POC) are certifying the participant's compliance or noncompliance with the full-time or part-time service requirements during the identified period. The ISV must be completed by the participant and the approved health professions school through the [BHW Customer Service Portal](#). The ISV records the total number of full-time or part-time workdays that a participant was absent, for any reason, from the health professions school during the reporting period.

Participants and the employing institution must complete the ISV within 30 days of notification that the service verification is due, and submit it through the [BHW Customer Service Portal](#). An overdue ISV may jeopardize a participant from receiving service credit and may lead to a recommendation for default. Late submission of ISVs may also impact the eligibility for a future contract.

Unemployment During the FLRP Service Obligation

FLRP participants who resign or are terminated from an eligible health professions school must contact the FLRP immediately through the [BHW Customer Service Portal](#). If the participant is eligible for a transfer, the FLRP will give the participant a specific timeframe in which to obtain an offer and accept a position at an eligible health professions school. The employing institution must meet the FLRP requirements in order to obtain a transfer. It is the **participant's responsibility to obtain employment at an eligible health professions school** to fulfill their service obligation. Participants who do not secure employment within the allotted time provided by the FLRP will be recommended for default.

Transfer Request to Another Approved Service Site

The FLRP expects that a participant will fulfill the service obligation at the initial health professions school. If a participant needs to transfer to another site, the participant must notify the FLRP by submitting a site change request through the [BHW Customer Service Portal](#) at least one month in advance of the proposed change. The request should include: (a) the reason for the transfer; and (b) a letter or certification from the participant's prospective health professions school verifying the eligibility of the school, including whether it is public, private non-profit, or private for-profit; and indicate what type of discipline the participant will be teaching. Participants will receive an official decision from the FLRP via the [BHW Customer Service Portal](#) regarding the approval or denial of the transfer request.

Breaching the FLRP Contract

Participants should contact FLRP immediately if a situation arises in which they are potentially unable to fulfill the service obligation. The FLRP will work with participants to assist them in fulfilling the service obligation to the extent possible to avoid defaulting or breaching the FLRP contract. A participant who breaches the FLRP contract by failing to begin or complete the two-year service obligation will be recommended for default and will be liable to pay an amount equal to the sum of the following:

- (1) The amount of loan repayments paid to the participant representing any period of obligated service not completed, plus thirty-nine (39) percent of that amount (representing the amount paid and withheld for federal taxes on that amount); and
- (2) \$1,000 multiplied by the number of months of obligated service not completed.

A breach of the contract will permanently disqualify the individual from receiving future awards under the FLRP and some other federal programs.

Any amounts the United States is entitled to recover, as set forth above, must be paid within thirty (30) days from the mailing date of HHS's first demand letter. If these amounts are not repaid by the due date, interest and other delinquent charges will be assessed as provided by 45 Code of Federal Regulations Section 30.18.

Failure to pay the FLRP debt by the due date also has the following consequences:

- (1) **Report to Credit Bureaus** – The debt will be reported to the credit reporting agencies as “delinquent.”
- (2) **Debt Collection** – Any FLRP debt past due for forty-five (45) days will be referred to a debt collection agency. If the debt collection agency is unsuccessful in collecting the payment in full, the debt will be referred to the Department of Justice for enforced collection.
- (3) **Administrative Offset** – Federal and state payments due to the participant (*e.g.*, an IRS or state income tax refund) may be offset by the Department of Treasury to repay a delinquent FLRP debt. Recovery through Administrative Wage Garnishment may be enforced to repay a delinquent FLRP debt.
- (4) **Bankruptcy** – A financial obligation under the FLRP may only be discharged in bankruptcy if the discharge is granted more than seven years after the due date and only if a bankruptcy court determines that the non-discharge of the debt would be unconscionable.

Suspensions and Waivers

The Secretary of HHS may, under certain circumstances, suspend (put on hold) or waive (excuse) the FLRP service or payment obligation. A written request for a suspension or waiver must be submitted through the [BHW Customer Service Portal](#). Additional supporting documentation demonstrating a compelling circumstance is required in order to process such a request.

Suspension

A mechanism that provides temporary relief to a FLRP participant who has a short-term (not permanent) circumstance that currently makes compliance with the obligation impossible, or would involve an extreme personal hardship to the participant such that enforcement of the obligation would be unconscionable. Periods of approved suspension will extend a participant's FLRP service obligation end date. Listed below are examples of service suspension categories:

- a. **Leave of Absence for Medical or Personal Reasons** – A suspension may be granted for up to one year. The participant must provide independent medical documentation of a physical or mental health disability, or personal circumstances, including a terminal illness or debilitating illness of an immediate family member (*e.g.*, parent, child or spouse, including same-sex spouse, resulting in the participant's temporary inability to perform the FLRP service obligation. Upon receipt of the written suspension request through the [BHW Customer Service Portal](#), the FLRP will notify the participant of the instructions for submitting additional supporting documentation.
- b. **Maternity/Paternity/Adoption Leave** – Participants must notify the FLRP of pending maternity/paternity/adoption leave and provide appropriate documentation. Maternity/paternity/adoption leave up to 12 weeks will be automatically approved, if properly documented. If the participant's maternity/paternity/adoption leave will exceed 12 weeks during that service year, a suspension may be granted by the FLRP based on documented medical need or if additional parental leave time is permitted under State law.
- c. **Call to Active Duty in the Armed Forces** – Participants who are military reservists and are called to active duty will be granted a suspension, for up to one year, which may be extended, beginning on the activation date described in the reservist's call to active duty order. In addition to the written request for a suspension, a copy of the order to active duty must be submitted to FLRP. The suspension will be extended if the Armed Forces entity continues the period of active duty. The period of active military duty will not be credited toward the FLRP service obligation.

Waiver

A mechanism that permanently relieves the participant of all or part of the FLRP service obligation. A waiver will be granted only if the participant demonstrates that compliance with the obligation is permanently impossible as the result of an extreme personal hardship such that enforcement of the obligation would be unconscionable. The request must be submitted in writing to the FLRP and must specify the reason(s) the waiver is being sought. The participant is contacted directly by the FLRP regarding the medical and financial documentation necessary to process the waiver request. Waivers require a demonstration of compelling circumstances and are not routinely granted.

Cancellation of FLRP Obligation

A participant's FLRP obligation will be cancelled in its entirety in the unfortunate event of the participant's death. No liability will be transferred to the participant's heirs.

Application Review and Award Process

You will be able to view the uploaded documents; **it is the applicant's responsibility to ensure that the information uploaded is accurate and viewable.** When uploading documents to your online application, please be sure that they do not exceed 5MB as the system cannot handle larger documents. Multiple-paged documents should be scanned and saved into one document.

FLRP frequently corresponds with applicants by email and via the [BHW Customer Service Portal](#). It is critical that applicants identify and maintain a current email address. Please check your emails during the application process for correspondence from the FLRP and remember to disable all SPAM blockers and to check your SPAM folder for emails.

Change in Job Status During the Application Process

Applicants may switch to a position at another eligible health professions school prior to submitting their online application and still be considered for a FLRP award. However, the employment information in the online application **must** match the information on the Institution Employment/Loan Repayment Verification Form. Therefore, if an applicant changes jobs and the online application is not updated, or a completed Institution Employment/Loan Repayment Verification Form is not uploaded from the corresponding facility by the deadline submission date, the applicant will not be considered for an FLRP award.

CONFIRMATION OF INTEREST

Award finalists are notified by a Confirmation of Interest (COI) email to log into their application account in the [BHW Customer Service Portal](#) to confirm their continued interest in receiving an award, and to confirm whether the employment information provided to HRSA on their FLRP application remains valid.

The electronic signature has the effect of a handwritten signature, and once countersigned by the Secretary of HHS or designee, obligates the applicant to a FLRP service commitment. If the applicant does not respond to the FLRP by the deadline provided, the offer of award expires and is offered to another alternative applicant. The COI is not a guarantee that the individual will receive an award, as funding depends on appropriations by Congress.

In addition, applicants must provide direct deposit banking information in the event they receive a contract.

Applicants who no longer wish to receive FLRP award must log into their [BHW Customer Service Portal](#) account and check the "decline" box on the COI. Once an applicant declines the offer of award, the award will be offered to an alternate applicant. A decision to decline the award is final and cannot be revoked under any circumstances.

If an individual selected for an award decides not to accept the award after signing the contract, the individual should notify the FLRP immediately through the [BHW Customer Service Portal](#).

If the Secretary or designee has not yet countersigned the contract, the individual will not incur a service obligation or any penalty for withdrawing;

If the Secretary or designee has already signed the contract, the individual has a legally binding contract to complete the service obligation. Withdrawing from the program without penalty is not an option.

If an applicant fails to commence service on the effective date of the contract, the applicant will be in breach of the contract, placed in default, and will be permanently disqualified from receiving future awards under the FLRP and some other federal programs.
