Public Burden Statement

OMB Number: 0915-0126 Expiration Date: XX/XX/20XX

Public Burden Statement: The NPDB is a web-based repository of reports containing information on medical malpractice payments and certain adverse actions related to health care practitioners, providers, and suppliers. Established by Congress in 1986, it is a workforce tool that prevents practitioners from moving state-to-state without disclosure or discovery of previous damaging performance. The statutes and regulations that govern and maintain NPDB operations include: Title IV of Public Law 99-660, Health Care Quality Improvement Act (HCQIA) of 1986, Section 1921 of the Social Security Act, Section 1128E of the Social Security Act, and Section 6403 of the Patient Protection and Affordable Care Act of 2010. The NPDB regulations implementing these laws are codified at 45 CFR Part 60. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0915-0126 and it is valid until XX/XX/202X. This information collection is required to obtain or retain a benefit (45 CFR Part 60). 45 CFR Section 60.20 provides information on the confidentiality of the NPDB. Information reported to the NPDB is considered confidential and shall not be disclosed outside of HHS, except as specified in Sections 60.17, 60.18, and 60.21. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857 or paperwork@hrsa.gov.

Registration Checklist

1. Have you identified the person who will serve as the certifying official for your organization?

As the person registering for your organization, you will serve as the administrator. The NPDB also requires someone from your organization to serve as the certifying official, the individual responsible for verifying that your organization is legitimate and eligible to register with the NPDB.

- The administrator and certifying official can be the same person.
- The certifying official can be someone other than the administrator who is in a management or executive role. The certifying official will not have access to the NPDB until the administrator creates a user account for them.

If you will not be the certifying official, you will need to know how that person's name is listed on their government-issued ID, such as their driver's license. This is important because you and the certifying official must complete a paper form in front of a notary public and show them the ID. The paper form will show the name you enter online, and the notary must verify that it matches the name on their ID.

2. Do you know the tax identification number for your organization?

You will need to know the [Employer Identification Number \(EIN\)](#) assigned to your organization by the IRS. If your organization is not required to have an EIN (e.g., a sole proprietorship), enter your [Social Security Number \(SSN\)](#) or [Individual Tax Identification Number \(ITIN\)](#) instead.

3. Are there other identification numbers assigned to your organization?

If your organization has a [National Provider Identification \(NPI\)](#), you will need to provide it. Hospitals should also add their [CMS Certification Number \(CCN\)](#), the provider number assigned for Medicare.

If you do not have this information, please Exit and return to registration later.

Statutory Authority and Requirements

You are registering your organization to query and/or report to the NPDB as an "eligible entity."

The statutes and regulations that govern and maintain NPDB operations include:

- Title IV of the Health Care Quality Improvement Act of 1986 (HCQIA), Public Law 99-660 (referred to as "Title IV");
- Section 5 of the Medicare and Medicaid Patient and Program Protection Act of 1987, Public Law 100-93, codified as Section 1921 of the Social Security Act (referred to as "Section 1921");
- Section 221(a) of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, codified as Section 1128E of the Social Security Act (referred to as "Section 1128E"); and
- Section 6403 of the Patient Protection and Affordable Care Act of 2010 (Public Law 111-148). Section 6403 of the Patient Protection and Affordable Care Act of 2010 (Public Law 111-148).

The NPDB regulations implementing these laws are codified at [45 CFR Part 60](#).

Information from the NPDB is only available to entities specified as "eligible" in the statutes and regulations.

Eligible entities are responsible for complying with all reporting and/or querying requirements that apply. Some entities may qualify as more than one type of eligible entity. Each eligible entity must certify its eligibility in order to report to the NPDB, query the NPDB, or both.
