Public Burden Statement: The NPDB is a web-based repository of reports containing information on medical malpractice payments and certain adverse actions related to health care practitioners, providers, and suppliers. Established by Congress in 1986, it is a workforce tool that prevents practitioners from moving state-to-state without disclosure or discovery of previous damaging performance. The statutes and regulations that govern and maintain NPDB operations include: Title IV of Public Law 99-660, Health Care Quality Improvement Act (HCQIA) of 1986, Section 1921 of the Social Security Act, Section 1128E of the Social Security Act, and Section 6403 of the Patient Protection and Affordable Care Act of 2010. The NPDB regulations implementing these laws are codified at 45 CFR Part 60. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0915-0126 and it is valid until XX/XX/202X. This information collection is required to obtain or retain a benefit (45 CFR Part 60). 45 CFR Section 60.20 provides information on the confidentiality of the NPDB. Information reported to the NPDB is considered confidential and shall not be disclosed outside of HHS, except as specified in Sections 60.17, 60.18, and 60.21. Public reporting burden for this collection of information is estimated to average .42 hours per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857 or paperwork@hrsa.gov.

We must receive your notarized Self-Query Identity Verification form and verify it before we can process your order.

- Print your Identity Verification document. Review it to be sure it is correct. Edit your order form if you need to change something. Complete your revisions, then print the revised document.
- 2. Take the form to a notary public and sign it in front of them. Most banks have a notary available at no charge for their customers.
- 3. Send the notarized form to the NPDB.
 - Scan all pages of the notarized form. Save the files as a .gif, .jpg, .pdf, or .png.
 - . Be sure all images are clearly readable, including the notary seal. If the seal is white and embossed, lightly shade over the seal with a pencil so it is visible.
 - Upload your files using "drag and drop" or select browse for files to choose files from your computer.

Drag and drop to upload or browse for files.

If you cannot upload your files, mail all pages of the original notarized form to the NPDB. The address is printed on the first page of the form.

Allow 7 business days for delivery of first-class U.S. mail and 2 business days for overnight delivery services. Due to security requirements, we cannot accept documents through fax or email.

4. Check your email.

Self-Query documents are processed in the order they are received. Allow 1 business day for the NPDB to process your order after documents are received, either electronically or by mail delivery. The NPDB sends you an email when processing is complete and your results are ready. You can view your results online.

Paper copies are only sent by first-class U.S. mail. Overnight delivery is **not** available.

When your envelope arrives, do not open it if you are sending your Self-Query to an organization such as a licensing board. Most organizations reject Self-Query responses if the envelope seal is broken.
