Thanks Archana,

I'm attaching the PIA. I just need #6 information. Assuming CDC doesn't have access to the respondent's information, no PII and Privacy Act does not apply.

Hi Anusha,

Yes it is supposed to be 15 (estimated based on 2 per county, for **6 counties** + 3 state-level). Hope that is clear.

Thanks

Archana

Hi Archana,

Is the No. Respondents (A) supposed to be 15 or 5?

Data Collection Instrument Name	Type of Respondent	Data Collection Mode	No. Respondents (A)	No. Responses per Respondent (B)	Burden per Response in Minutes (C)	Total Burden in Hours (A x B x C)/60*
Attachment 2: Ohio Suicide Prevention Focus Group guide	General Public: State and Community Partners	Focus groups	15 (2 county-specific partners; 3 state-level partners)	7	8 minutes	14 hours
Attachment 3: Ohio Suicide Prevention Interview Guide	General Public: State and Community Partners	Individual interviews	5 (county or state partners that cannot attend focus groups)	7	8	5 hours
