

Attachment 7 –Assessment of Ill Worker Policies Study: Food Worker Consent and Survey

This data is being collected as part of an assessment of restaurant ill worker management practices. The data that you supply will be combined with responses from restaurant workers in other states. The data we collect will not be reported with identifiers that are linked to this restaurant or you. The information that you provide will be valuable in understanding the beliefs of food service workers.

Do you have any questions? If so, please ask the person that provided you the form. If you have any questions at a later time or would like a summary of the study's findings, you can contact: (Local contact name). We expect to have all of the data summarized in about a year and a half.

If you agree to participate please complete the following questions on the following page. If you would not like to participate, return this form to the person that provided it to you without filling out any questions. You may skip any questions that you do not wish to answer.

CDC estimates the average public reporting burden for this collection of information as 5 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate to: CDC/ATSDR Information Collection Review Office, MS D-74, 1600 Clifton Road NE, Atlanta, GA, 30333, ATTN: PRA (0920-XXXX).
