General Instructions

Purpose of Form

Form 5500-EZ is used by one-participant plans and foreign plans that are not subject to the requirements of section 104(a) of the Employee Retirement Income Security Act of 1974 (ERISA).

Note. A one-participant plan or a foreign plan (as defined under Who Must File Form 5500-EZ) cannot file an annual return on Form 5500, Annual Return/Report of Employee Benefit Plan, or Form 5500-SF, Short Form Annual Return/Report of Small Employee Benefit Plan, regardless of whether the plan previously filed an annual return on Form 5500 or Form 5500-SF. Therefore, every one-participant plan or a foreign plan required to file an annual return must either file paper Form 5500-EZ with the IRS or electronically file Form 5500-EZ using the EFAST2 Filing System.

Who Must File Form 5500-EZ

You must file Form 5500-EZ for a retirement plan if the plan is a one-participant plan or a foreign plan that is required to file an annual return under section 6058(a).

A one-participant plan means a retirement plan (that is, a defined benefit pension plan or a defined contribution profit-sharing or money purchase pension plan), other than an Employee Stock Ownership Plan (ESOP), which:

1. Covers only you (or you and your spouse) and you (or you and your spouse) own the entire business (which may be incorporated or unincorporated); or

2. Covers only one or more partners (or partners and their spouses) in a business partnership (treating 2% shareholder of an S corporation, as defined in IRC

§1372(b), as a partner); and

3. Does not provide benefits for anyone except you (or you and your spouse) or one or more partners (or partners and their spouses).

A one-participant plan must file an annual return unless the plan meets the conditions for not filing under Who Does Not Have To File Form 5500-EZ below.

A foreign plan means a pension plan that is maintained outside the United States primarily for nonresident aliens.

A foreign plan is required to file an annual return if the employer who maintains the plan is:

· A domestic employer, or

• A foreign employer with income derived from sources within the United States (including foreign subsidiaries of domestic employers) if contributions to the plan are deducted on its U.S. income tax return.

Do not file an annual return for a plan that is a qualified foreign plan within the meaning of section 404A(e) that does not qualify for the treatment provided in section 402(d).

Note. If you are not eligible to file the Form 5500-EZ for a plan that is subject to the reporting requirements in section 104 of ERISA, you must electronically file Form 5500 or, if eligible, Form 5500-SF.

Who Does Not Have To File Form 5500-EZ

You do not have to file Form 5500-EZ for the 2020 plan year for a one-participant plan if the total of the plan's assets and the assets of all other one-participant plans maintained by the employer at the end of the 2020 plan year does not exceed \$250,000, unless 2020 is the final plan year of the plan. For more information on final plan years, see Final Return, later.

Example. If a plan meets all the requirements for filing Form 5500-EZ and its total assets (either alone or in combination with one or more one-participant plans maintained by the employer) exceed \$250,000 at the end of the 2020 plan year, Form 5500-EZ must be filed for each of the employer's one-participant plans including those with less than \$250,000 in assets for the 2020 plan vear.

Note. You should use the total plan assets as listed as of the end of the plan year on line 6a(2) of this form to determine whether the plan(s) assets exceed \$250,000. If an employer maintains one or more one-participant plans, the total assets of all one-participant plans combined must be counted towards the amount of \$250,000.

How To File

Paper forms for filing. The 2020 Form 5500-EZ may be filed on paper. File the official IRS printed Form 5500-EZ or the downloadable form found on the IRS website; or use approved software, if available.

You can complete the online, fillable 2020 Form 5500-EZ found on the IRS website and download it to your computer to print and sign before mailing to the address specified in these instructions. See Where To File.

You can obtain the official IRS printed 2020 Form 5500-EZ from the IRS to complete by hand with pen or typewriter using blue or black ink. Entries should not exceed the lines provided on the form. Abbreviate if necessary. Paper forms are available from the IRS as discussed earlier in How To Get Forms and Publications.

Electronic filing. in these instructions. EFAST2 Filing System Effective for plan years beginning after 2019, a filer can file Form 5500-EZ electronically using the EFAST2 filing system. See

Mandatory electronic filing. A filer must file the Form 5500-EZ electronically using the EFAST2 Filing System instead of filing a paper Form 5500-EZ with the IRS if the filer is required to file at least 250 returns of any type with the IRS, including information returns (for example, Forms) W-2 and Forms 1099), income tax returns, employment tax returns, and excise tax returns, during the calendar year that includes the first day of the applicable plan year. If a filer is required to file a Form 5500-EZ electronically but does not, the filer is considered to have not filed the form even if a paper Form 5500-EZ is submitted. See Treasury Regulations section 301.6058-2 for more information on mandatory electronic filing of employee retirement benefit plan returns. The IRS may waive the requirements to file Form 5500-EZ electronically in cases of undue economic hardship. For information on filing a request for a hardship waiver, see Rev. Proc. 2015-47, 2015-39 I.R.B. 419, available at

https://www.irs.gov/irb/2015-39 IRB.

EFAST2 Filing System

A one-participant plan and a foreign plan can satisfy their filing obligation under the Code by filing Form 5500-EZ electronically under the EFAST2 filing system in place of filing Form 5500-EZ on paper with the IRS.

- •
- •
- •
- •
- •
- •

Under EFAST2, you must electronically file the 2020 Forms 5500 and 5500-SF using EFAST2's web-based filing system or you may file through an EFAST2approved vendor. The 2020 Form 5500-EZ can also be electronically filed using the EFAST2 filing system or filed on paper with the IRS. For more information about electronic filing, see the EFAST2 website at <u>www.efast.dol.gov</u>. For telephone assistance, call the EFAST2 Help Line at 1-866-GO-EFAST (1-866-463-3278). The EFAST2 Help Line is available Monday through Friday.

Note (1). A filer must file Form 5500-EZ electronically instead of filing Form 5500-EZ on paper if the filer is required to file at least 250 returns of any type with the IRS during the calendar year. See *How To File* for more information.

Note (2). If a filer is not subject to the IRS mandatory electronic filing requirement under Treasury Regulations section 301.6058-2, a filer may elect to file Form 5500-EZ electronically using the EFAST2 filing system. Information filed on Form 5500-EZ is required to be made available to the public. However, the information for a one-participant plan or a foreign plan, whether filed electronically with EFAST2 or filed on paper, will not be published on the internet.

What To File

Plans required to file an annual return for one-participant (owners and their spouses) retirement plans or foreign plans may file Form 5500-EZ in accordance with its instructions. Filers of Form 5500-EZ are not required to file schedules or attachments related to Form 5500 with the 2020 Form 5500-EZ. However, you must collect and retain for your records completed **Schedule MB (Form 5500), Multiemployer Defined Benefit Plan and Certain Money Purchase Plan Actuarial Information**, if applicable, and completed and signed **Schedule SB** (Form 5500), Single-Employer Defined Benefit Plan Actuarial Information, if applicable. Even though you do not have to file the Schedule MB (Form 5500) or

Schedule SB (Form 5500) with the 2020 Form 5500-EZ, you are still required to both perform an annual valuation and maintain the funding records associated with plan funding in the same manner as a plan for which the applicable schedule must be filed.

Eligible combined plans. The Pension Protection Act of 2006 established rules for a new type of pension plan, an "eligible combined plan," effective for plan years beginning after December 31, 2009. An eligible combined plan consists of a defined benefit plan and a defined contribution plan that includes a qualified cash or deferred arrangement under section 401(k). The assets of the two plans are held in a single trust, but clearly

identified and allocated between plans. The eligible combined plan design is available only to employers that:

• Employed an average of at least 2, but no more than 500, employees on business days during the calendar year prior to the establishment of the eligible combined plan; and

• Employ at least 2 employees on the first day of the plan year that the plan is established.

Because an eligible combined plan includes both a defined benefit plan and a defined contribution plan, the Form 5500-EZ filed for the plan must include all the information that would be required for either a defined benefit plan or a defined contribution plan.

Note. The 2020 Schedule MB (Form 5500) and the 2020 Schedule SB (Form 5500) are available only electronically from the Department of Labor website at *www.efast.dol.gov.* You can complete the schedules online and print them out for your records. If you are a Form 5500-EZ filer, **do not** attempt to electronically file the Schedule MB or Schedule SB related to your 2020 Form 5500-EZ filing.

Instructions for Form 5500-EZ (20201820)

Specific Instructions

Part I – Annual Return Identification Information

Enter the calendar or fiscal year beginning and ending dates of the plan year (not to exceed 12 months in length) for which you are reporting information. Express the date in numerical month, day, and year in the following order "MM/DD/YYYY" (for example, "01/01/2020").

For a plan year of less than 12 months (short plan year), insert the short plan year beginning and ending dates on the line provided at the top of the form. For purposes of this form, the short plan year ends on the date of the change in accounting period or the complete distribution of the plan's assets.

First Return

Check **box A(1)** if this is the first filing for this plan. Do not check this box if you have ever filed for this plan, even if it was a different form (for example, Form 5500).

Amended Return

Check **box A(2)** if you are filing an amended Form 5500-EZ to correct errors and/or omissions in a previously filed annual return for the 2020 plan year. The amended Form 5500-EZ must conform to the requirements under the *How To File* section, earlier.

If you are filing an amendment for a one-participant plan or a foreign plan that previously filed electronically using Form 5500-SF, you must submit the amended return electronically using the Form 5500-SF with EFAST2 for plan years 2019 or before, or using Form 5500-EZ with EFAST2 for plan years beginning after 2019. If you are filing an amended return for a oneparticipant plan or a foreign plan that previously filed on a paper Form 5500-EZ, you must submit the amended return using the paper Form 5500-EZ with the IRS.

Short Plan Year

Check **box A(4)** if this form is filed for a period of less than 12 months. Show the dates at the top of the form.

For a short plan year, file a return by the last day of the 7th month following the end of the short plan year. Modify the heading of the form to show the beginning and ending dates of your short plan year and check **box** A(4) for a short plan year. If this is also the first or final return filed for the plan, check the appropriate box (**box** A(1) or A(3)).

Final Return

All one-participant plans and all foreign plans should file a return for their final plan year indicating that all assets have been distributed.

Check **box A(3)** if all assets under the plan(s) (including insurance/annuity contracts) have been distributed to the participants and beneficiaries or distributed or transferred to another plan. The final plan year is the year in which distribution of all plan assets is completed.

Extension of Time To File

Check **box B** if either of the following applies.

1. You are filing a Form 5558, Application for Extension of Time To File Certain Employee Plan Returns. (**Do not attach** Form 5558 to your Form 5500-EZ. See below for more information.)

2. You are using an extension based on the extended due date of your federal income tax return. (See the *Note* below.)

A one-time extension of time to file Form 5500-EZ (up to $2^{1/2}$ months) may be obtained by filing Form 5558 on or before the normal due date (not including any extensions) of the return. You must file Form 5558 with the IRS.

Approved copies of the Form 5558 will not be returned to the filer. A copy of the completed extension request must be retained with the plan's records.

See the instructions for Form 5558 and file it with the Department of the Treasury, Internal Revenue Service Center, Ogden, UT 84201-0045.

Note. Line A of the Form 5558 asks for "Name of filer, plan administrator, or plan sponsor." The name of the plan sponsor is generally the same as the employer name for a one-participant plan.

Note. Filers are automatically granted an extension of time to file Form 5500-EZ until the extended due date of the federal income tax return of the employer (and are not required to file Form 5558) if all of the following conditions are met.

1. The plan year and the employer's tax year are the same;

2. The employer has been granted an extension of time to file its federal income tax return to a date later than the normal due date for filing the Form 5500-EZ; and

3. A copy of the application for extension of time to file the federal income tax return is retained with the plan's records.

Be sure to check **box B** at the top of the form. An extension granted by using this exception cannot be extended further by filing a Form 5558 after the normal due date (without extension) of Form 5500-EZ.

Foreign Plan

Check **box C** if the return is filed by a foreign plan. See *Who Must File Form 5500-EZ*, earlier.

Check **Box D** only if you are filing a paper Form 5500-EZ with the IRS for the late filer penalty relief program. The delinquent return cannot be filed electronically through the EFAST2 System.

Late Filer Penalty Relief Program

The IRS Late Filer Penalty Relief Program for late annual reporting for non-Title I retirement plans (one-participant plans and certain foreign plans) provides administrative relief to plan administrators and plan sponsors from the penalties otherwise applicable under sections 6652(e) and 6692 for failing to timely comply with the annual reporting requirements imposed under sections 6047(e), 6058, and 6059. Rev. Proc. 2015-32 requires that an applicant must submit a complete Form 5500-EZ for the delinquent plan year on paper with the IRS. The IRS delinquent return cannot be filed electronically through EFAST2 System. An applicant under the program must print in red letters in

-4-

the top margin above the Form 5500-EZ's title on the first page of the return: "Delinquent Return Submitted under Rev. Proc. 2015-32, Eligible for Penalty Relief." A filer who checks **box D** and submits the delinquent 2020 Form 5500-EZ under the program is not required to also mark the return as described in Rev. Proc. 2015-32. However, the return must still be marked as described in Rev. Proc. 2015-32 for delinquent returns for years that have no **box D** available. Please be aware that each submission under the program must include a completed paper copy of Form 14704 attached to the front of the oldest delinquent return in the submission. Form 14704 can be found at *www.irs.gov/ pub/irs-pdf/f14704.pdf*. See Rev. Proc. 2015-32, 2015-24 1063, for more information.

LIST OF PLAN CHARACTERISTICS CODES FOR LINE 8

	I
CODE	Defined Benefit Pension Features
1A	Benefits are primarily pay related.
1B	Benefits are primarily flat dollar (includes dollars per year of service).
1C	Cash balance or similar plan – Plan has a "cash balance" formula. For this purpose, a "cash balance" formula is a benefit formula in a defined benefit plan by whatever name (for example, personal account plan, pension equity plan, life cycle plan, cash account plan, etc.) that rather than, or in addition to, expressing the accrued benefit as a life annuity commencing at normal retirement age, defines benefits for each employee in terms more common to a defined contribution plan such as a single sum distribution amount (for example, 10% of final average pay times years of service, or the amount of the employee's hypothetical account balance).
1D	Floor-offset plan – Plan benefits are subject to offset for retirement benefits provided by an employer-sponsored defined contribution plan.
1E	Section 401(h) arrangement – Plan contains separate accounts under section 401(h) to provide employee health benefits.
1F	Section 414(k) arrangement – Benefits are based partly on the balance of the separate account of the participant (also include appropriate defined contribution pension feature codes).
11	Frozen plan – As of the last day of the plan year, the plan provides that no participant will get any new benefit accrual (whether because of service or compensation).
CODE	Defined Contribution Pension Features
2A	Age/Service Weighted or New Comparability or Similar Plan – Age/Service Weighted Plan: Allocations are based on age, service, or age and service. New Comparability or Similar Plan: Allocations are based on participant classifications and a classification(s) consists entirely or predominantly of highly compensated employees; or the plan provides an additional allocation rate on compensation above a specified threshold, and the threshold or additional rate exceeds the maximum threshold or rate allowed under the permitted disparity rules of section 401(l).
