

## **Examples of Inquiries to the States**

Below are examples of some BLS inquiries to the states:

1. Request for states to test new technology and applications including Microsoft Office 365 and the FedState Portal.
2. Request for information from the states regarding their opinions for how to conduct the 2021 Annual Refiling Survey.
3. Request for information from the states regarding need for additional training in specific program areas.
4. Request for state feedback regarding proposed changes to funding allocation formula for states participating in the Occupational Safety and Health Statistics (OSHS) programs.
5. Request for states to update point of contact information for Information Technology staff in states.
6. Request information from the states regarding their participation in regular production tasks and the time spent in each.
7. Request feedback from the states on the effectiveness of the 2021 monthly OSHS webinar series.
