EMPLOYEE (or person acting on the employee's behalf) - Complete sections 1 through 7 as directed and submit the form to the employee's supervisor.

SUPERVISOR (or appropriate official in the employing agency) - Complete sections 8 through 15 as directed and promptly forward the form to the OWCP.

EXPLANATIONS - Some of the items on the form which may require further clarification are explained below:

Section Number	Explanation
2d. Schedule Award	Schedule awards are paid for permanent impairment to a member or function of the body.
3. Employment	An employee who either claims or is receiving compensation for partial or total disability must advise OWCP immediately of any return to work. An employee must report **all** outside employment, including any concurrent dissimilar employment held at the time of injury. The employee must report even those earnings which do not seem likely to affect benefits; failure to report earnings may result in forfeiture of **all** benefits paid during the period for which compensation is claimed. For example, include sales, farming, and operating (or keeping books for) a business including a family business. Report providing services (such as carpentry, mechanical work, child care, odd jobs) provided in exchange for money, goods, or other services. Report part-time or intermittent activities and any volunteer work for which any form of monetary or in-kind compensation was received. Passive investment in any public traded business is not a required reporting item.
4. Direct Deposit Information	The Department of the Treasury requires all Federal payments be made by electronic funds transfer (EFT), also called Direct Deposit. If you have not previously signed up to receive compensation with EFT, or desire to change your current account information, please submit SF-1199A, Direct Deposit Sign Up. If you do not have a bank account, you may be required to receive your payment through Direct Express Debit MasterCard. To request information on the Direct Express Debit MasterCard, go to www.usdirectexpress.com or call 1-800-333-1795. If directed to enroll in the Program, you may contact the Department of the Treasury at 1-888-224-2950 to address any questions or concerns you may have, as well as apply for a waiver from the process. NOTE: payments to residents of foreign countries are exempt from the Treasury requirements.
5. List your dependents	Your spouse is a dependent if he or she is living with you. A child is a dependent if he, or she either lives with you or receives support payments from you, and he or she: 1) is under 18, or 2) is between 18 and 23 and is a full-time student, or 3) is incapable of self-support due to physical or mental disability.
6a. Was/will there be a claim made against 3rd party?	A third party is an individual or organization (other than the injured employee or the Federal government) who is liable for the injury. For instance, the driver of a vehicle causing an accident in which an employee is injured, the owner of a building where unsafe conditions cause an employee to fall, and a manufacturer who gave improper instructions for the use of a chemical to which an employee is exposed, could all be considered third parties to the injury.
8. Additional Pay	"Additional Pay" includes night differential, Sunday premium, holiday premium, and any other type (such as hazardous duty or "dirty work" pay) regularly received by the employee, but does not include pay for overtime. If the amount of such pay varies from pay period to pay period (as in the case of holiday premium or a rotating shift), then the total amount of such pay earned during the year immediately prior to the date of injury or the date the employee stopped work (whichever is greater) should be reported.
11. Continuation of pay (COP) received	If the injury was not a traumatic injury reported on Form CA-1, this item does not apply.
14. Remarks	This space is used to provide relevant information which is not present elsewhere on the form.
