Work Capacity Evaluation Cardiovascular/Pulmonary Conditions

U.S. Department of Labor Office of Workers' Compensation Programs

ME-OW

Injured Worker's Name (First, middle, last)		OWCP No.		OMB No: 1240-0046		
				Expires: XX-XX-XXXX		
Please answer the questions below concerning your patient (named above) for whom the Office of Workers' Compensation Programs (OWCP) has accepted the following conditions:						
accepted the following containend.						
1a. Is this employee capable of performing his/he	rusual ioh without restr	iction? Yes	No If no, is preve	ention (of possible future injury)		
the only reason for work limitations? Yes		is not <u>the</u> only reason, p				
	your opinion in	n a medical report.				
Many employers can readily accomm	odate medical re	strictions including	assignment of th	e injured worker to an		
b. If unable to perform his/her usual job, is the	amployee able to work t	or 8 hours per workday w	ith physical restrictions	>		
c. If less than 8 hours per workday, how many l			iti priyalcai reatrictiona			
d. Do You anticipate an increase in the number			Yes No			
If yes, when will this person achieve an 8 ho		andinal raport:				
If no, please provide medical reasons to sup	port your opinion in a m	ledical report:				
2. Has the work injury/condition caused ANATO	MICAL and/or FUNCT	TIONAL changes in the ca	ardiovascular or respira	tory		
systems that preclude exposure to: a. Temperature extremes	Yes No	c. Gas	fumes	☐ Yes ☐ No		
b. Airborne particles	Yes No		tromagnetic radiation	Yes No		
3a. Please review the Guidance for Physicians in	cluded on pages 2 and	3 of this form Rased on t	ne narameters provided	I please indicate whether this person		
is capable of working within any of the following S		Sedentary	Yes No	Light Yes No		
	Medium Yes	No Heavy	Yes No Ve	ry Heavy Yes No		
3b. If not, please indicate whether this person has						
limitations in lifting, pulling and/or pushing, please	# of Hours	number of pounds that ca	n be handled by this pe	rson. # of Hours		
Activity <u>Limitation</u>	Able to Work	<u>Activity</u>	<u>Limitation</u>	Able to Work Lbs.		
Sitting Yes		Repetitive Moveme				
Walking Yes Standing Yes	+	Wrists Elbow	Yes			
Reaching Yes						
Reaching above		Pushing Pulling	Yes

6. Physician's Name (Type or print)			7. Telephone Number	(Include Area Code)		
The state of the s			I Cicpitotic I dumber	Thisado Alba Obdo)		

Physical Demand Definitions for the OWCP

OWCP has adopted the following Strength Level definitions to indicate the absence or presence and frequency of the physical demand components requested on the OWCP-5b and OWCP-5c.

1. STRENGTH LEVEL

Sedentary Work

Sedentary Work involves exerting up to 10 pounds of force occasionally or a negligible amount of force frequently to lift, carry, push, pull, or otherwise move objects, including the human body. Sedentary work involves sitting most of the time, but may involve walking or standing for brief periods of time. Jobs may be defined as Sedentary when walking and standing are required only occasionally and all other Sedentary criteria are met.

Light Work

Light Work involves exerting up to 20 pounds of force occasionally or up to 10 pounds of force frequently, or a negligible amount of force constantly to move objects. Physical demand requirements are in excess of those for Sedentary Work. Even though the weight lifted may be only a negligible amount, a job/occupation is rated Light Work when it requires: (1) walking or standing to a significant degree; (2) sitting most of the time while pushing or pulling arm or leg controls; or (3) working at a production rate pace while constantly pushing or pulling materials even though the weight of the materials is negligible. (The constant stress and strain of maintaining a production rate pace, especially in an industrial setting, can be and is physically demanding of a worker even though the amount of force exerted is negligible.)

Medium Work

Medium Work involves exerting 20 to 50 pounds of force occasionally or 10 to 25 pounds of force frequently or an amount greater than negligible and up to 10 pounds constantly to move objects. Physical demand requirements are in excess of these for Light Work.

Heavy Work

Heavy Work involves exerting 50 to 100 pounds of force occasionally, or 25 to 50 pounds of force frequently, or 10 to 20 pounds of force constantly to move objects. Physical demand requirements are in excess of those for Medium Work.

Very Heavy Work

Very Heavy work involves exerting in excess of 100 pounds of force occasionally, or in excess of 50 pounds of force frequently or in excess of 20 pounds of force constantly to move objects, Physical demand requirements are in excess of those for Heavy Work.

LIMITS OF WEIGHTS LIFTED/CARRIED/PUSHED/PULLED

Rating	Occasionally	<u>Frequently</u>	Constantly		
Sedentary	* - 10	*	N/A		
Light	* - 20	* - 10	*		
Medium	20 - 50	10 - 25	* - 10		
Heavy	50 - 100	25 - 50	10 - 20		
Very Heavy	100 +	50 +	20 +		
* = negligible weight; N/A = Not Applicable					

The range excludes the lower number and includes the higher number, i.e., the range 10 - 25 excludes 10 (begins at 10 +) and includes 25.

Physical Demand Definitions for the OWCP (continued)

PRESENCE AND/OR FREQUENCY OF OTHER PHYSICAL DEMANDS

The following codes and definitions indicate the absence or presence and frequency of other Physical Demand components requested on the OWCP-5b and OWCP-5c.

Code	Frequency	<u>Definition</u>	Max # hrs./8-hr. day
N	Not Present	Activity/condition does not exist.	0
0	Occasionally	Activity/condition exists up to 1/3 of the time.	2 hrs. 40 min.
F	Frequently	Activity/condition exists from 1/3 to 2/3 of the time.	5 hrs. 20 min.
С	Constantly	Activity/condition exists 2/3 or more of the time.	8

2. REACHING

Forward flexion and/or abduction of the hand(s) and arm(s); generally, within a 0° - 90° range of motion from the shoulder; or extension within a 0° - 50° range of motion from the shoulder.

3. REACHING ABOVE THE SHOULDER

Forward flexion and/or abduction of the hand(s) and arm(s); generally at greater than 90° from the shoulder.

4. TWISTING

Turning, twisting, contorting, or flexing the torso in any direction towards the right or left.

5. BENDING/STOOPING

Bending body downward and forward by bending spine at the waist requiring full use of the lower extremities and back muscles.

6. OPERATING A MOTOR VEHICLE AT WORK

Driving any vehicle during the performance of one's duties.

7. REPETITIVE MOVEMENTS OF ELBOWS (HANDLING)

Seizing, holding, grasping, turning, or otherwise working with hand or hands using the whole arm.

8. REPETITIVE MOVEMENTS OF WRISTS (FINGERING)

Picking, pinching, or otherwise working primarily with fingers and wrists rather than the whole arm as in handling.

9. SQUATTING (CROUCHING)

Bending body downward and forward by bending legs and spine.

10. KNEELING

Bending legs at knees to come to rest on knee or knees.

11. CLIMBING

Ascending or descending ladders, stair, scaffolding, ramps, poles, and the like, using feet and legs or hands and arms. Body agility is emphasized.

Privacy Act Statement

The Privacy Act of 1974 as amended (5 U. S.C. 552a) and the Federal Employees' Compensation Act, as amended and extended (5 U.S.C. 8101, et seq.), authorizes collection of this information. The purpose of this form is to obtain the claimant's specific work tolerance limitation where the accepted condition is cardiovascular/pulmonary in nature. Completion of this form is voluntary (5 U.S.C. 8101, et seq), however, failure to provide the information may result in the delay of processing of the claim or payment or benefits, or may result in an unfavorable decision or reduced levels of benefits. Additional disclosures of this information may be to: third parties in litigation; employing agencies, various individuals and organizations providing related medical rehabilitation and other services; insurance plans which may have paid related bills; labor unions; various law enforcement officials; other federal, state and local agencies (including the GAO and IRS) as appropriate; data processing contractors to the Department of Labor; debt collection agencies and credit bureaus.

Public Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to this collection of information unless it displays a currently valid OMB control number. Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain or retain a benefit under 5 U.S.C. 8101 et, seq. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Office of Workers' Compensation Programs, Room S-3229, 200 Constitution Avenue, NW, Washington, DC 20210, and reference the OMB Control Number 1240-0046. Note: Please do not return the requested information to the address shown just above. Rather, send it to the address shown on the letterhead.

Notice

Requests for Accommodations or Auxiliary Aids and Services

If you have a disability, federal law gives you the right to receive help from the OWCP in the form of communication assistance, accommodation(s) and/or modification(s) to aid you in the claims process. For example, we will provide you with copies of documents in alternate formats, communication services such as sign language interpretation, or other kinds of adjustments or changes to accommodate your disability. Please contact our office or your OWCP claims examiner to ask about this assistance.
