

OMB Control# 1660-0072

Expiration Date: 6/30/2017

PAPERWORK BURDEN DISCLOSURE NOTICE

Public reporting burden for this data collection is estimated to average 7.5 hours per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the needed data, and completing, and submitting this form. This collection of information is required to obtain or retain benefits. You are not required to respond to this collection of information unless it displays a valid OMB control number. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing this burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 500 C Street, SW, Washington, DC, 20472, and Paperwork Reduction Project (1660-0072). **NOTE: Do not send your completed form to the above address.**

Environmental/Historic Preservation Information:

The screenshot shows a web browser window displaying the FEMA.gov Project Application interface. The browser title is "Federal Emergency Management Agency E-Grants - Windows Internet Explorer provided by REI Systems Inc". The address bar shows the URL: http://192.168.3.193:7777/FEMAMitigation/processFemaRequest.do?sessionId=athammai_ak_g. The browser's address bar includes "Live Search" and "Convert" options. The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The browser's toolbar includes "Windows Live", "Bing", "What's New", "Profile", "Mail", "Photos", "Calendar", "MSN", "Share", "Sign in", and "Convert". The browser's Favorites bar includes "Bug List" and "Federal Emergenc...". The browser's status bar includes "Page", "Safety", "Tools", and "?".

The FEMA.gov website header includes the FEMA logo, the text "FEMA.gov", and "Project Application". The user is logged in as "Athammai Thiagu" with a last login of "09-15-2010" and a session that expires in 30 minutes. The page title is "Environmental/Historic Preservation Review".

The page content includes a sidebar with a list of application sections: 1. Application Status, 2. Applicant Information, 3. Contact Information, 4. Community Information, 5. Mitigation Plan Information, 6. Mitigation Activity Information, 7. Hazard Information, 8. Scope of Work, 9. Properties, 10. Decision Making Process, 11. Cost Estimate, 12. Match Sources, 13. Cost Effectiveness Information, 14. Environmental/Historic Preservation Information, 15. Maintenance Schedule, 16. Evaluation Information, 17. Comments and Attachments, 18. Assurances and Certifications, and 19. Review and Submit Application. The sidebar also includes links for "Print Application", "Return to Home Page", "Logout", "Privacy Statement", and "Disclaimers".

The main content area is titled "Environmental/Historic Preservation Review" and shows "Application 82 % complete". It contains the following text: "Please read the following information. When you are finished, click the Save and Continue button below to go to the first part of the Environment and Historic Review. Or, you may select a section from the drop down menu below and then click the Go button." Below this text is a dropdown menu labeled "Select Environmental/Historic Preservation Review Section" and a "Go" button. There is also a link for "eLearning Tool For L.PDM".

The "Introduction" section is highlighted and contains the following text: "An environmental/historic preservation review is required for all activities for which FEMA funds are being requested. FEMA will complete this review with the assistance of both the state or tribal government and the local applicant. It is important that you provide accurate information. If you are having problems completing this section please contact your application Point of Contact." Below the introduction text are "Go Back" and "Save and Continue" buttons.

The footer of the page includes links for "fema home", "e-grants home", "contact us", "frequently asked questions", "glossary", "help", and "Disclosures". The browser's status bar shows "Internet" and "100%". The Windows taskbar at the bottom shows the "start" button, several open windows, and the system clock showing "4:49 PM".

Environmental/Historic Preservation Review

Application 82 % complete

Please provide the following information. When you are finished, click the *Save and Continue* button below to go to the next part of the Environmental/Historic Preservation Review. Or, you may select a section from the drop down menu below and then click the *Go* button.

Select Environmental/Historic Preservation Review Section

[eLearning Tool For L-PDM](#)

Note: Fields marked with an * are required.

A. National Historic Preservation Act - Historic Buildings and Structures [Click here for more information](#)

* 1. Does your project affect or is it in close proximity to any buildings or structures 50 years or more in age? Yes No Not Known

If Yes, you must confirm that you have provided the following:

- The property address and original date of construction for each property affected (unless this information is already noted in the Properties section).
- A minimum of two color photographs showing at least three sides of each structure (Please label the photos accordingly).
- A diagram or USGS 1:24,000 scale quadrangle map displaying the relationship of the property(s) to the project area.

To help FEMA evaluate the impact of the project, please indicate below any other information you are providing:

- Information gathered about potential historic properties in the project area, including any evidence indicating the age of the building or structure and presence of buildings or structures that are listed or eligible for listing on the National Register of Historic Places or within or near a National Register listed or eligible historic district. Sources for this information may include the State Historic Preservation Officer, and/or the Tribal Historic Preservation Officer (SHPO/THPO), your local planning office, historic preservation organization, or historical society.
- Consideration of how the project design will minimize adverse effects on known or potential historic buildings or structures, and any alternatives considered

B. National Historic Preservation Act - Archeological Resources [Click here for more information](#)

* 1. Does your project involve disturbance of ground? Yes No Not Known

If Yes, you must confirm that you have provided the following:

- A description of the ground disturbance by giving the dimensions (area, volume, depth, etc.) and location
- The past use of the area to be disturbed, noting the extent of previously disturbed ground.
- A USGS 1:24,000 scale or other site map showing the location and extent of ground disturbance.

To help FEMA evaluate the impact of the project, please indicate below any other information you are providing:

- Any information about potential historic properties, including archeological sites, in the project area. Sources of this information may include SHPO/THPO, and/or the Tribe's cultural resources contact if no THPO is designated. Include, if possible, a map showing the relation of any identified historic properties to the project area.
- Attached materials or additional comments.

Please enter your comments below. (If you selected Yes or Not Known above, please indicate why in the text box below and any information about this project that could assist FEMA in its review.)

C. Endangered Species Act and Fish and Wildlife Coordination Act [Click here for more information](#)

* 1. Are Federally listed threatened or endangered species or their critical habitat present in the area affected by the project? Yes No Not Known

If Yes, you must confirm that you have provided the following:

Information you obtained to identify species in or near the project area. Provide the source and date of the information cited.

To help FEMA evaluate the impact of the project, please indicate below any other information you are providing:

Any request for information and associated response from the USFWS, the National Marine Fisheries Service (NMFS) (for affected ocean-going fish), or your State Wildlife Agency, regarding potential listed species present and potential of the project to impact those species.

Attached materials or additional comments.

Please enter your comments below (If you selected Yes or Not Known above, please indicate why in the text box below and any information about this project that could assist FEMA in its review.):

(Maximum 4000 characters)

* 2. Does your project remove or affect vegetation? Yes No Not Known

If Yes, you must confirm that you have provided the following:

Description of the amount (area) and type of vegetation to be removed or affected.

A site map showing the project area and the extent of vegetation affected.

Photographs or digital images that show both the vegetation affected and the vegetation in context of its surroundings.

* 3. Is your project in, near (within 200 feet), or likely to affect any type of waterway or body of water? Yes No Not Known

If Yes, and project is not within an existing building, you must confirm that you have provided the following:

- A USGS 1:24,000 scale quadrangle map showing the project activities in relation to all nearby water bodies (within 200 feet).
- Any information about the type of water body nearby including: its dimensions, the proximity of the project activity to the water body, and the expected and possible changes to the water body, if any. Identify all water bodies regardless whether you think there may be an effect
- A photograph or digital image of the site showing both the body of water and the project area.

To help FEMA evaluate the impact of the project, please indicate below any other information you are providing:

- Evidence of any discussions with the US Fish and Wildlife Service (USFWS), and/or your State Wildlife Agency concerning any potential impacts if there is the potential for the project to affect any water body.
- Attached materials or additional comments.

Please enter your comments below (If you selected Yes or Not Known above, please indicate why in the text box below and any information about this project that could assist FEMA in its review.):

E. Executive Order 11988 (Floodplain Management) [Click here for more information](#)

* 1. Does a Flood Insurance Rate Map (FIRM), Flood Hazard Boundary Map (FHBM), hydrologic study, or some other source indicate that the project is located in or will affect a 100 year floodplain, a 500 year floodplain if a critical facility, an identified regulatory floodway, or an area prone to flooding? Yes No Not Known

If Yes, please indicate in the text box below any documentation to identify the means or the alternatives considered to eliminate or minimize impacts to floodplains (See the 8 step process found in 44 CFR Part 9.6.) to help FEMA evaluate the impact of the project (If you selected Not Known above, please indicate why in the text box below and any information about this project that could assist FEMA in its review.):

(Maximum 4000 characters)

* 2. Does the project alter a watercourse, water flow patterns, or a drainage way, regardless of its floodplain designation? Yes No Not Known

If Yes, please indicate below any other information you are providing to help FEMA evaluate the impact of the project.

Hydrologic/hydraulic information from a qualified engineer to demonstrate how drainage and flood flow patterns will be changed and to identify down and upstream effects.

Evidence of any consultation with US Army Corps of Engineers (may be included under Part D of the Environmental Information).

Request for information and response letter from the State water resource agency, if applicable, with jurisdiction over modification of waterways.

Attached materials or additional comments.

Please enter your comments below (If you selected Yes or Not Known above, please indicate why in the text box below and any information about this project that could assist FEMA in its review.):

below and any information about this project that could assist FEMA in its review. ;

(Maximum 4000 characters)

* 2. Does the project alter a watercourse, water flow patterns, or a drainage way, regardless of its floodplain designation? Yes No Not Known

If Yes, please indicate below any other information you are providing to help FEMA evaluate the impact of the project.

- Hydrologic/hydraulic information from a qualified engineer to demonstrate how drainage and flood flow patterns will be changed and to identify down and upstream effects.
- Evidence of any consultation with US Army Corps of Engineers (may be included under Part D of the Environmental Information).
- Request for information and response letter from the State water resource agency, if applicable, with jurisdiction over modification of waterways.
- Attached materials or additional comments.

Please enter your comments below (If you selected Yes or Not Known above, please indicate why in the text box below and any information about this project that could assist FEMA in its review. ;)

K. Summary and Cost of Potential Impacts [Click here for more information](#)

* 1. Having answered the questions in parts A. through J., have you identified any aspects of your proposed project that have the potential to impact environmental resources or historic properties? Yes No

If Yes, you must confirm that you have:

- Evaluated these potential effects and provided the materials required in Parts A through J that identify the nature and extent of potential impacts to environmental resources and/or historic properties.
- Consulted with appropriate parties to identify any measures needed to avoid or minimize these impacts.
- Considered alternatives that could minimize both the impacts and the cost of the project.
- Made certain that the costs of any measures to treat adverse effects are realistically reflected in the project budget estimate.
