A. Overview of Information Collection

Title of Information Collection: Office of Housing Counseling—Agency Performance Review.

OMB Approval Number: 2502-0574.

OMB Expiration Date: March 31, 2021.

Type of Request: Revision of a currently approved collection.

Form Number: HUD-9910, Office of Housing Counseling—Performance Review Of a HUD-Approved Housing Counseling Agency or Participating Agency.

Description of the need for the information and proposed use: The information is used to assist HUD in evaluating the managerial and financial capacity of organizations to sustain operations sufficient to implement HUD approved housing counseling programs. The collection of information assists HUD to reduce its own risk from fraudulent activities or supporting inefficient or ineffective housing counseling programs. Since HUD publishes a web list of HUD-approved Housing Counseling Agencies and maintains a toll-free housing counseling hotline, performance reviews help HUD ensure that individuals seeking assistance from these approved agencies can have confidence in the quality of services that they will receive.

HUD uses performance reviews to ascertain the professional and management capacity of HUD-approved Housing Counseling Agencies to provide adequate housing counseling services that are necessary to comply with the requirements of the Housing and Urban Development Act and to ensure that grant funded organizations comply with HUD and OMB administrative and financial regulations. If this information is not collected, HUD would be unable to effectively monitor the Housing Counseling Program to guard against waste, fraud, abuse, or inappropriate program practices. This collection provides the means to meet that obligation.

Respondents (i.e., affected public): Not-for profit institutions; State, Local, or Tribal Governments.

Estimated Number of Respondents: 353 annually.

Estimated Number of Responses: 353 annually.

Frequency of Response: 1 per agency performance review.

Bureau of Ocean Energy Management

[Docket No. BOEM-2020-0018]

Withdrawal of the Public Review Period for Cook Inlet Lease Sale 258

AGENCY: Bureau of Ocean Energy Management, Interior.

ACTION: Notice to withdraw public review period.

SUMMARY: BOEM is withdrawing the public review period and virtual public hearings announced in the Notice of Availability (NOA) of the Draft Environmental Impact Statement (DEIS) for the proposed Cook Inlet Lease Sale 258.

DATES: This withdrawal is effective immediately. The public review period, scheduled to close March 1, 2021, and the virtual public hearings, scheduled for February 9–11, 2021, are canceled.

FOR FURTHER INFORMATION CONTACT: For information regarding this notice, please contact Ameer Howard, Project Manager, Bureau of Ocean Energy Management, Alaska Regional Office, 3801 Centerpoint Drive, Suite 500, Anchorage, Alaska 99503-5823, by telephone at (907) 334-5200, or by email at amee.howard@boem.gov.

SUPPLEMENTARY INFORMATION: On January 15, 2021, BOEM published an NOA for the proposed Cook Inlet Lease Sale 258 DEIS. The NOA began a 45-day comment period and announced the dates and times of three virtual public hearings. However, in response to Executive Order 14008, BOEM has decided to cancel the comment period and public hearings for the Lease Sale 258 DEIS.

Executive Order 14008, published in the **Federal Register** on February 1, 2021, directed the Secretary of the Interior to pause new oil and gas leasing on public lands and offshore waters pending completion of a comprehensive review of Federal oil and gas activities, including climate and other impacts. Consistent with the Executive Order, BOEM has decided to cancel the comment period and virtual public hearings for Lease Sale 258 DEIS. This decision to postpone further environmental review of the lease sale pending completion of the review specified in the Executive Order was made to avoid administrative costs associated with holding hearings on the sale while it is under review. In advance of this notice, on February 4, 2021, BOEM issued a press release and updated its website to notify stakeholders that the public review period and virtual public hearings were cancelled. If, after completion of the review directed in Executive Order 14008, BOEM resumes its environmental review of Lease Sale 258, a notice will be published in the **Federal Register**.

Authority: This notice to withdraw the public review period is published pursuant

to 42 U.S.C. 4321 *et seq.*; 40 CFR 1506.6 (2019 ed.).
