## PRIVACY IMPACT ASSESSMENT (PIA)

**Prescribing Authority:** Public Law 107-347, Section 208(b). Complete this form for Department of Housing and Urban Development (HUD) information systems or electronic collections (referred to as "electronic collections" for the purpose of this form) of information that collect, maintain, use, and / or disseminate personally identifiable information (PII) about members of the public, Federal employees, and contractors. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to the system. Please be sure to use plain language and be as concise as possible.

For further information and instructions on how to fill out the PIA, please see the PIA Reference Guide.

HUD's PIAs describe: (1) the legal authority that permits the collection of information; (2) the specific type of information used by the system; (3) how and why the system uses the information; (4) whether the system provides notice to individuals that their information is used by the system; (5) the length of time the system retains information; (6) whether and with whom the system disseminates information; (7) procedures individuals may use to access or amend information used by the system; and (8) physical, technical, and administrative safeguards applied to the system to secure the information.
