Contractor's Certificate of Actual Cost Section 232

U.S. Department of Housing and Urban Development Office of Residential Care Facilities

OMB Approval No. 2502-0605 (exp. 03/31/2018)

Public reporting burden for this collection of information is estimated to average 8 hours. This includes the time for collecting, reviewing, and reporting the data. The information is being collected to obtain the supportive documentation which must be submitted to HUD for approval, and is necessary to ensure that viable projects are developed and maintained. The Department will use this information to determine if properties meet HUD requirements with respect to development, operation and/or asset management, as well as ensuring the continued marketability of the properties. This agency may not

Warning: Any person who knowingly presents a false, fictitious, or fraudulent statement or claim in a matter within the jurisdiction of the U.S. Department of Housing and Urban Development is subject to criminal penalties, civil liability, and administrative sanctions.

collect this information, and you are not required to complete this form unless it displays a currently valid OMB control number.

	Total Costs					49

^{*} Total purchases of materials and cost of labor amounting to less than \$1,000 may be included as a lump sum under miscellaneous materials and labor. Costs exceeding this amount for materials and labor must be allocated to the trade item under which they were expended on HUD-92330-A-ORCF worksheets 3 and 4.

Note: If additional space is required for these or other items, append Rider thereto, with references and initial. When more than one subcontractor is performing a trade item, the attached work sheet must be completed giving the information indicated.

| Total for Ceneral Requirements (Supervision | Supervision | Supervisio

Total for General Requirements	\$	Total	\$
subcontractor, material supplier The accompaniment contains a sthere is any financial interest of directors or stockholders or the any officer, director or stockholders, when the part of the secon and pays on behalf of the party surveyor, general superintende construction contract; when the consideration to be paid them;	now any identify of inter- or equipment lessor on statement fully describin of the party of the first part of the first part is al- lder of the party of the d part advances any fun of the first part the cost ent, or engineer employ e party of the second party when there exist or com	rest between borrower and/or general contract the other. Ig any identities of interest. Identity of Interest part in the party of the second part; when o iso an officer, director or stockholder of the part first part has any financial interest whatsoeved to the party of the first part; when the party of any architectural services or engineering served by a general contract in connection with art takes stock or any interest in the party of e into being any side deals, agreements, contract ancelling any of the required closing docume	is defined as follows: When one or more of the officers, rty of the second part; when r in the party of the second of the second part provides ervices other than those of a h its obligations under the the first part as part of the acts or undertakings entered

All amounts shown have been reduced to give effect to the amount(s) of any kickbacks, rebates, adjustments, discounts, or any other devices which had the effect of reducing the actual cost, and all amounts shown above as "to be paid in cash" will be so paid within forty-five (45) days after final endorsement.

Note: This certificate must be supported by a certification as to actual cost by an independent Certified Public Accountant or by an independent public accountant as required for Form HUD-93305-ORCF.

HUD.
