SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Evaluation of the HUD-DOJ Pay for Success Permanent Supportive Housing Demonstration.

OMB Approval Number: 2528-0319.

Type of Request: Revision or extension of currently approved collection.

Form Number: N/A.

Description of the need for the information and proposed use: The Departments of Housing and Urban Development (HUD) and Justice (DOJ)

entered into an interagency collaboration that combines DOJ's mission to promote safer communities by focusing on the reentry population with HUD's mission to end chronic homelessness. This collaboration resulted in the HUD-DOJ Pay for Success Permanent Supportive Housing Demonstration with \$8.68M awarded to seven communities to develop supportive housing for persons cycling between the jail or prison systems and the homeless service systems using pay for success (PFS) as a funding mechanism. HUD announced seven grantees from across the country in June 2016. As of August 2020, six grantee communities remain. The PFS Demonstration grant supports activities throughout the PFS lifecycle, including feasibility analysis, transaction structuring, and outcome evaluation and success payments, with each grantee receiving funds for different stages in the PFS lifecycle. Through the national evaluation, which is funded through an interagency agreement between HUD and DOJ and managed by HUD's Office of Policy Development and Research, HUD-DOJ seek to assess whether PFS is a viable model for scaling supportive housing to improve outcomes for a reentry population. The main goal of the evaluation is to learn how the PFS model is implemented in diverse settings with different structures, populations, and community contexts. The Urban Institute has been conducting a multi-disciplinary, multi-method approach to "learn as we do" and meet the key objectives of the formative evaluation. To understand project implementation, the evaluation includes data collection on both the time that project partners dedicate to each PFS project as well as PFS partner perceptions and interactions and community-level changes that may benefit the target population. This information collection request is for an ongoing time survey and an annual partnership web survey. The time survey will be used to assess staff time spent on development of each PFS project throughout the different lifecycle phases and the partnership survey will be used to document partner perceptions and interactions and community-level changes that may benefit the target population.

Respondents: PFS grantee staff and other project stakeholders.

Estimated Number of Respondents: The annual web-based partnership survey will have up to 170 respondents across all 6 Demonstration sites. The quarterly web-based time survey will have up to 40 respondents across all sites.

Estimated Time per Response: The response time for the annual web-based

partnership survey is .25 hour. The response time for the quarterly web-based time survey is 1 hour.

Frequency of Response: The annual web-based partnership survey will be administered once annually. The web-based time survey will be administered four times annually.

Estimated Total Annual Burden Hours: The total annual burden for this information collection is 202.50 hrs.

Estimated Total Annual Cost: The total annual cost for this information collection is \$5,400.68.

Respondent's Obligation: Voluntary.

Legal Authority: The data collection is conducted under Title 12, United States Code, Section 1701z and Section 3507 of the Paperwork Reduction Act of 1995, 44, U.S.C., 35, as amended.

Information collection	Number of respondents	Frequency of response	Burden hour per response	Annual burden hours	Hourly cost per response	Total cost
HUD-DOJ PFS Key Project Partners (Annual web-based partnership survey)	170	1	0.25	42.5	¹ \$26.67	\$1,133.48
HUD-DOJ PFS Key Project Partners (Quarterly time survey)	40	4	1.0	160	26.67	4,267.20
Total	210	202.5	5,400.68

¹ The typical key project partner role is either a management or support role. The estimate uses the average of the most recent (May 2019) Bureau of Labor Statistics, Occupational Employment Statistics median hourly wages for the labor categories Social and Community Services Manager (11-9151) and Community and Social Service Specialist, All Other (21-1099). To estimate cost burden to project partner respondents, we use an average of the occupations listed or \$26.67.

Respondent	Occupation	SOC code	Median hourly wage rate	Average (median) hourly wage rate
HUD-DOJ PFS Key Project Partners.	(1) Social and Community Services Manager	(1) 11-9151	(1) \$32.28	26.67
	(2) Community and Social Service Specialist, All Other	(2) 21-1099	(2) 21.05
