

the public to initiate CISA speaking engagements. The form will be available on www.cisa.gov and any member of the public can submit a request for a CISA employee to speak at an event. The form will be used by CISA to track and manage external speaking engagements. The information will also be used to schedule and determine the most appropriate CISA speaker based on date, time, location, presentation format, and topic. The form collects information regarding the requested speaking engagement, e.g., the host organization, the speaking topic, agenda, and additional event details. The requested information helps CISA determine whether the speaker should attend the engagement and/or how CISA should best prepare for the event.

The information is used to determine if accepting the request will further CISA's mission.

The CISA Speakers Bureau team will use the information to identify a speaker and route the Speakers Request Form to that person for consideration. Confirmed CISA speaking engagements are then sent to DHS Public Affairs for awareness.

The form will be available on www.cisa.gov as a fillable pdf and/or webform, and will be submitted to the CISA External Affairs Speakers Bureau. The data collected will be stored in an internal SharePoint site.

This is a NEW collection of information.

OMB is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: The Rent Reform Demonstration: 6-Year Long-Term Follow-Up.

OMB Approval Number: 2528-0306.

Type of Request (i.e., new, revision or extension of currently approved collection): Revision or extension of currently approved collection.

Form Number: N/A.

Description of the need for the information and proposed use: The Department is conducting this study under contract with MDRC and its subcontractors (The Bronner Group, Quadel Consulting Corporation, and the Urban Institute). The project is a random assignment trial of an alternative rent system. Families are randomly assigned to participate either in the new/alternative rent system or to continue in the current system. For voucher holders, outcomes of the alternative system are hypothesized to be increases in earnings, employment, and job retention among others. Random assignment will limit the extent to which selection bias drives observed results. The evaluation will document the progress of a group of housing voucher holders, who will be drawn from current residents, and the impact of the alternative rent system on the families as well as the administrative burden on Public Housing Agencies (PHAs). Three PHAs continue to participate in the long-term evaluation:

- (1) Lexington Housing Authority (LHA), Lexington, Kentucky;
 - (2) Louisville Metro Housing Authority (LMHA), Louisville, Kentucky;
 - (3) San Antonio Housing Authority (SAHA), San Antonio, Texas; and
- Data collection efforts include the families that are part of the treatment and control groups, as well as PHA staff. Data will be gathered through a variety of methods including informational interviews and discussions, direct observation, and analysis of administrative records. The work

covered under this information request is for data collection proposed for the 6-year follow-up phase of the Rent Reform Demonstration.

Respondents: Public housing agency administrators/staff managing or implementing the new rent policy and participants enrolled in the HUD Rent Reform Demonstration.

Estimated Number of Respondents:
 • **Public Housing Authority Staff:** A maximum of 33.
 • **Families with housing vouchers participating in the Rent Reform Demonstration:** A maximum of 60.
Estimated Time per Response: 90 to 120 minutes, depending on the interview.

Frequency of Response: 1 interview.
Estimated Total Annual Burden Hours: 144 hours.
Estimated Total Annual Cost: \$2,125.62
Respondent's Obligation: Voluntary.
Legal Authority: The data collection is conducted under Title 12, United States Code, Section.

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Cost
Study Participant Interviews and/or Focus Groups	60	1	60	1.5	90	¹ \$7.25	\$652.50
PHA Staff Interviews	24	1	24	1.5	36	² 26.67	960.12
Cost Study Data Collection Activities with PHA staff	9	1	9	2	18	³ 28.50	513.00
Total	93	144	2,125.62

¹ Households participating in the Rent Reform Demonstration will range widely in employment position and earnings. We have estimated the hourly wage at the expected prevailing minimum wage, which is \$7.25 per hour in Kentucky and Texas. Moreover, we expect about 50 percent of the participants to be employed at the time of the field research (based on analysis of employment data for the study sample). Based on this, we assumed 50% of tenants would be working at the federal minimum wage.

² For program staff participating in interviews, the estimate uses the median hourly wages of selected occupations (classified by Standard Occupational Classification (SOC) codes) was sourced from the Occupational Employment Statistics from the U.S. Department of Labor's Bureau of Labor Statistics. Potentially relevant occupations and their median hourly wages are:

Occupation	SOC code	Median hourly wage rate
Community and Social Service Specialist	21-1099	\$21.05
Social/community Service Manager	11-9151	32.28

Source: Occupational Employment Statistics, accessed online November 20, 2020 at http://www.bls.gov/oes/current/oes_stru.htm.

To estimate cost burden to program staff respondents, we use an average of the occupations listed, or \$26.67/hr.

³ The Cost Study Data collection assumes 2 managers and 1 specialist will be interviewed by site.

1701z and Section 3507 of the Paperwork Reduction Act of 1995, 44, U.S.C., 35, as amended.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
 - (2) The accuracy of the agency's estimate of the burden of the proposed collection of information;
 - (3) Ways to enhance the quality, utility, and clarity of the information to be collected, and
 - (4) Ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
- HUD encourages interested parties to submit comment in response to these questions.

C. Authority

Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.

The General Deputy Assistant Secretary for Policy Development and Research, Todd M. Richardson, having reviewed and approved this document, is delegating the authority to electronically sign this document to submitter, Nacheshia Foxx, who is the **Federal Register Liaison** for HUD, for purposes of publication in the **Federal Register**.

Nacheshia Foxx,
Federal Register Liaison for the Department of Housing and Urban Development.
