Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

The Line of Credit Control System (LOCCS) is HUD's primary grant and subsidy disbursement system for the majority of HUD programs. Organizations and individuals have access to these grants through an Internet version of LOCCS called eLOCCS, where authorized Business Partners can access, manage, and drawdown grant funds. LOCCS is accessed through the Internet portal, Secure Systems. The combination of the two system is eLOCCS. This information is required to obtain benefits under the Native American Housing and Self-Determination Act of 1996.
