LATE CHARGES. If the Government has not received the full amount of any monthly payment by the end of \_\_\_\_\_\_days after the date it is due, I will pay a late charge. The amount of the charge will be \_\_\_\_\_ percent of my overdue payment of principal and interest. I will pay this charge promptly, but only once for each late payment.

BORROWER'S RIGHT TO PREPAY. I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Government in writing that I am making a prepayment.

I may make a full prepayment or partial prepayment without paying any prepayment charge. The Government will use all of my prepayments to reduce the amount of principal that I owe under this Note. If I make a partial prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Government agrees in writing to those changes. Prepayments will be applied to my loan in accordance with the Government's regulations and accounting procedures in effect on the date of receipt of the payment.

ASSIGNMENT OF NOTE. I understand and agree that the Government may at any time assign this note without my consent. If the Government assigns the note I will make my payments to the assignee of the note and in such case the term "Government" will mean the assignee.

CREDIT ELSEWHERE CERTIFICATION. I certify to the Government that I am unable to obtain sufficient credit from other sources at reasonable rates and terms for the purposes for which the Government is giving me this loan.

USE CERTIFICATION. I certify to the Government that the funds I am borrowing from the Government will only be used for purposes authorized by the Government.

LEASE OR SALE OF PROPERTY. If the property constructed, improved, purchased, or refinanced with this loan is (1) leased or rented with an option to purchase, (2) leased or rented without option to purchase for 3 years or longer, or (3) is sold or title is otherwise conveyed, voluntarily or involuntarily, the Government may at its option declare the entire remaining unpaid balance of the loan immediately due and payable. If this happens, I will have to immediately pay off the entire loan.

REQUIREMENT TO REFINANCE WITH PRIVATE CREDIT. I agree to periodically provide the Government with information the Government requests about my financial situation. If the Government determines that I can get a loan from a responsible cooperative or private credit source, such as a bank or a credit union, at reasonable rates and terms for similar purposes as this loan, at the Government's request, I will apply for and accept a loan in a sufficient amount to pay this note in full. This requirement does not apply to any cosigner who signed this note pursuant to section 502 of the Housing Act of 1949 to compensate for my lack of repayment ability.

SUBSIDY REPAYMENT AGREEMENT. I agree to the repayment (recapture) of subsidy granted in the form of payment assistance under the Government's regulations.

CREDIT SALE TO NONPROGRAM BORROWER. The provisions of the paragraphs entitled "Credit Elsewhere Certification" and "Requirement to Refinance with Private Credit" do not apply if this loan is classified as a nonprogram loan pursuant to section 502 of the Housing Act of 1949.

DEFAULT. If I do not pay the full amount of each monthly payment on the date it is due, I will be in default. If I am in default the Government may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Government may require me to immediately pay the full amount of the unpaid principal, all the interest that I owe, and any late charges. Interest will continue to accrue on past due principal and interest. Even if, at a time when I am in default, the Government does not require me to pay immediately as described in the preceding sentence, the Government will still have the right to do so if I am in default at a later date. If the Government has required me to immediately pay in full as described above, the Government will have the right to be paid back by me for all of its costs and expenses in enforcing this promissory note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorney's fees.
