

Request for Nonsubstantive Change
ICR 0579-0315

February 1, 2021

The program is requesting approval for administrative changes to three forms in ICR 0579-0315. These changes are intended to retain consistency from previous questionnaire and to reflect changes in collection protocol requested by NAHMS and the cooperating labs. The changes are:

VS Form 21-203	Updated years from 2020 to 2021
	Section 2, Q10; Section 3, Q1-3; Section 4, Q1-2 Where appropriate, update or add date ranges to the questions
	Section 3, Q10c; Section 4, Q9c Correct misspelled trade name from Exced to Excede
	Section 6, Q4 Corrected numerical sequencing error (changed 8 to 7)
VS Forms 21-205 and 21-206	Updated years from 2020 to 2021
	Edited or corrected Kit Contents and Collection Instructions (e.g., days of the week and facility ID numbers)
