Welcome, Susan Cole Help Print Log Out

Welcome to eDRS!

You have successfully logged into the Supplemental Nutrition Assistance Program's (SNAP) Electronic Disqualified Recipient System (eDRS). eDRS makes it easier for SNAP fraud investigators, eligibility workers, and quality control specialists to perform their jobs by providing the most comprehensive and up-to-date nation-wide disqualification information at their fingertips.

eDRS allows authorized users to search the national database of Supplemental Nutrition Assistance Program (SNAP) disqualification records to make disqualification penalty and eligibility determinations. eDRS also supports SNAP control reviews verifying the accuracy of SNAP eligibility determinations.

Note: Use of eDRS is restricted to persons directly concerned with the administration and/or enforcement of the Food and Nutrition Act (of 2008) or regulations. Any information obtained by persons authorized to use eDRS may not be further disclosed to anyone not connected with the administration and/or enforcement of the Food and Nutrition Act (of 2008) or regulations without the written approval of the Food and Nutrition Service. If you have questions concerning eDRS access, please contact your FNS regional office.
