

Subject line: 2021 NISP PSI Data Collection

Members of the NISPPAC,

This is a courtesy email to inform you that the Defense Counterintelligence and Security Agency (DCSA) will conduct the annual data collection of Personnel Security Investigation (PSI) Industry requirements from March 8, 2021 through April 2, 2021.

For your awareness, we have posted the below notice to Industry:

The DCSA is responsible for projecting Personnel Security Investigations (PSI) requirements each year. The data collection for PSI projection requirements will be conducted March 8 through April 2, 2021, through the National Industrial Security System (NISS) Submission Site. Annual projections acquired from Industry through this collection are the key component in DoD program planning and budgeting for NISP security clearances.

In preparation for this upcoming data collection, our Industry partners are highly encouraged to register for their NISS accounts before March 8, in order to participate in the survey. Registration instructions are found on the NISS website under the Registration section (<https://www.dcsa.mil/is/niss/>).

We look forward to your participation. If you have any questions, please contact:

Thank you,
Defense Counterintelligence and Security Agency PSI Team
