Section B. This Child's Health (PROGRAMMER: Add Timestamp)	
We now have some follow up questions to ask about [SPECIFY CHILD]. These questions will collect more detailed information on various aspects of this child's health including his or her health status, visits to health care providers, health care costs, and health insurance coverage. We have selected only one child per household in an effort to minimize the amount of time necessary to complete the follow-up questions.	
B1. In general, how would you describe this child's health? 1	
B2. How would you describe the condition of this child's teeth? 1

Thank you for your participation.

On behalf of the U.S. Department of Health and Human Services, we would like to thank you for the time and effort you have spent sharing information about this child, you, and your family.

Your answers are important to us and will help researchers, policymakers, and family advocates to better understand the health and health care needs of children in our diverse population.
