

Entities Survey: Module 17
Number of questions: 1

Reporting Adverse Actions to the NPDB Through an Authorized Agent

Q 17.1. Why does your organization use an authorized agent to report adverse actions to the NPDB? (Please select all that apply.)

- Agent assures timely processing and consistency in reporting
- Not enough resources
- Cost effective
- NPDB reporting system too complex
- Report to the NPDB through a board association (which acts as a reporting agent)
- Other (Please Explain) _____

Piping Logic:

As specified in Module 16.
