Polling Question 1

CDC estimates the average public reporting burden for this collection of information as 5 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

The interface includes a top menu bar with "Meeting", "Layouts", "Pods", and "Audio". A "Video" panel on the right shows a "Start My Webcam" button. Below the video panel is an "Attendees (1)" list showing "Alexandra Edwards" as the host. A "Q & A" panel is also visible.
