TCU Organizational Readiness Survey

Instructions

This survey asks questions about how you see yourself as a team member and how you see your health clinic. It begins on the next page with a short demographic section that is for descriptive purposes only. The *Anonymous Linkage Code* is requested so that information you give now can be "linked" to your responses to similar questions you may be asked later.

To complete the form, please mark your answers by marking the appropriate circles. If you do not feel comfortable giving an answer to a particular statement, you may skip it and move on to the next statement.

CDC estimates the average public reporting burden for this collection of information as 10 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

TCU/Medical ORC Survey

The anonymous linkage code below will be used to match data from different evaluation forms without using your name or information that can identify you.								
Please complete the following items for your anonymous code:								
First letter in mother's first name:	_	First letter	r in father's first name:					
First digit in your social security number	ber:	Last digit in your social security number:						
Today's Date:	_ /'R	Are you: O Male O Female Your Birth Year: 19						
Are you Hispanic or Latino?								
O No O Yes								
Are you: [MARK AS MANY AS APPLY] O American Indian or Alaska Native O Asian O Native Hawaiian or other Pacific Islander O Black or African American O White
