

CDC estimates the average public reporting burden for this collection of information as 25 minutes per survey/interview, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D74, Atlanta, Georgia 30333; ATTN: PRA (0920XXXX).

### **OBGYN Qualitative Key Informant Interview to Assess Strategic Plan for Training Implementation**

#### Protocol and Interview Template

Respondents:	Residency Directors, Training Coordinators, Clinic Directors, Practice Managers committed to incorporating FASD-SBI education and training into their curricula.
Data Point(s):	Prior to a program's implementation of FASD-SBI Training (online didactic and/or virtual world experiential).
Data Collection Method(s):	MRPIC Evaluator or MRPIC Project Coordinator conducts interview in person or via phone - OR - emails link to Qualtrics questionnaire to respondents for completion of open-ended items.

#### **Pre-Training Implementation Questions:**

1. To begin, what questions do you have about the training... or about integrating it into your curriculum/program?
  - a. Time required for didactic modules training?
  - b. Time for experiential learning component?
  - c. Logistics and access to training?
  - d. Tracking completion status?
  - e. Anything else?
  
2. How do you envision incorporating this training into your [residency program/clinical practice/system]?
  - a. Who is championing this training?
  - b. Who will shepherd this implementation within the training program?
  - c. Who will schedule and assign the training to targeted residents/attendings?

- d. Who will monitor completions and nudge as needed? Will this person communicate directly with the champion?
  - e. How much time will be allotted for trainees to complete the online modules? And how much time for the virtual world/avatar SBI encounter or other experiential learning?
  - f. What window of time will be suggested for training completion (days, weeks, months?)
  - g. Will you offer any incentives for training completion? If so, what are your ideas?
  - h. Do you plan for any in-person debriefing following the training? If so, who will facilitate and schedule?
3. What needs or strategies might we help you with at this point?

**Thanks so much for your time!**
