The Centers for Disease Control and Prevention (CDC) requests a nonmaterial/non-substantive change of the currently approved Information Collection Request: “TEMPORARY HALT IN RESIDENTIAL EVICTIONS TO PREVENT THE FURTHER SPREAD OF COVID-19 (Evictions EO)”

The requested change includes the addition to both the English and Spanish version of the declaration of the following language:

“Even if you have provided a declaration to your landlord, the Order does not prevent your landlord from seeking a hearing, if authorized by State or local law and in accordance with State or local court procedure, to challenge the truthfulness of your declaration.”

CDC is also proposing a fillable PDF version of the declaration.

This Non-Substantive Change Request results in no changes to currently approved information collection instruments and no change in burden hours.
