Dear UGSP Applicant,

We are pleased that you are considering submitting an application to the NIH Undergraduate Scholarship Program (UGSP) for admission in Fall 2021. Applicants to the UGSP must fulfill the following eligibility requirements:

- United States citizen or United States permanent resident
- Enrolled or accepted for enrollment as a full-time student at an accredited 4-year undergraduate institution located in the United States of America
- Undergraduate Grade Point Average (GPA) of 3.3 or higher on a 4.0 scale or within the top 5 percent of your class
- Having Exceptional Financial Need (EFN) as certified by your undergraduate institution financial aid office (see page-3)

If you meet the first three requirements listed above, please complete questions 1 through 3 in Section-A of the Exceptional Financial Need (EFN) form prior to printing to ensure clarity for university and UGSP staff. Take or forward all three pages of this document to your academic institution's financial aid office to confirm your EFN status. If you are transferring to another institution/university, send this form to the institution where you will be enrolling Fall 2021. You can begin your UGSP application for Fall 2021 admission when the application opens in January 2021. Please request that your financial aid office complete section B of this form and return it to you. You must forward the completed form to our office by mail, fax, or email (see header for address).

Dear Financial Aid Officer,

The Undergraduate Institution's Financial Aid Office must complete all questions within Section-B. Please take care to make sure question 2 (Exceptional Financial Need Status) is completed and the certification includes your institution's seal or stamp. Otherwise we cannot accept the EFN form and the student will receive an automatic rejection letter. Tax information from 2019 or 2020 may be used to complete this form. Please return the completed form to the student for submission.

Should you have any questions or concerns about eligibility or completing the EFN form, please contact me at your earliest convenience.

Best regards, Darryl Murray, PhD Director, UGSP

Instructions for Undergraduate Institution Certification Form NIH 2762-3

Exceptional Financial Need Status Identification of Individuals from Disadvantaged Backgrounds (Scholarship applicants must be from disadvantaged backgrounds)

A student from a disadvantaged background is one who comes from a family with an annual adjusted gross income below a level based on low-income thresholds according to family size, as published by the U.S. Bureau of the Census, adjusted annually for changes in the Consumer Price Index, and adjusted by the Secretary, DHHS, for use in all health professions programs.

Qualification of EFN Status. Applicants who qualify as having EFN status must provide the Financial Aid Director of their undergraduate institution total financial information, including: parent's income and spouse's income (if applicable), regardless of the student's taxable status, and must be of EFN, as defined by the Secretary, DHHS, (see above). The Financial Aid Director must certify this information and the institution's certification of an applicant's EFN status must be included with the UGSP application package.

The Secretary, DHHS, will periodically publish these low-income levels in the Federal Register. (Please see the table below for the most recent determination of low-income levels). If family income for the most recent calendar year is less than the income level indicated on the chart below for the appropriate family size, students fulfill the definition of an individual having exceptional financial need (EFN). Students certified as being of EFN are considered to be from disadvantaged backgrounds.

Low-Income Levels—Secretary DHHS
