- Yes No

EVALUATION QUESTIONS

For the questions presented below, use the following scale to designate your agreement:

- 5 = Strongly Agree
4 = Agree
3 = Neutral
2 = Disagree
1 = Strongly Disagree

The communications sent by GPP prior to arrival were sufficient.

- 5 4 3 2 1 N/A

The communications sent by the partner university prior to arrival were sufficient.

- 5 4 3 2 1 N/A

I was satisfied with the travel planner.

- 5 4 3 2 1 N/A

The GPP introduction presented by Dr. Sharon Milgram provided useful information about life as a graduate student at the NIH.

- 5 4 3 2 1 N/A

Being able to take part in the Annual NIH Graduate Student Symposium was useful and a valuable part of the interview experience.

- 5 4 3 2 1 N/A

The Current Student Panel on Thursday, February 22nd was useful to me (JHU only).

- 5 4 3 2 1 N/A

The Brown-GPP Faculty Data Blitz on February 22nd was useful to me (Brown only):

5 4 3 2 1 N/A

During the interview visit, I was provided with sufficient information about the partnership(s) for which I interviewed.

5 4 3 2 1 N/A

I found the NIH Annual Reports Database (NIDB Resources) useful when trying to complete the faculty meeting form.

5 4 3 2 1 N/A

I found searching the various NIH intramural web pages useful when trying to complete the faculty meeting form.

5 4 3 2 1 N/A

During the interview(s) with the Admission Committee(s) I felt able to both answer questions about my scientific interests and myself and to ask questions about the partnership.

5 4 3 2 1 N/A

I found the faculty meetings useful and enjoyable.

5 4 3 2 1 N/A

I had sufficient time in between faculty / interview meetings to get to my next appointments.

5 4 3 2 1 N/A

There was sufficient time to interact with current graduate students.

5 4 3 2 1 N/A

Accommodations at the Hyatt Regency were sufficient.

5 4 3 2 1 N/A

The Welcome Dinner at the Hyatt Regency on February 20th was a valuable part of the interview process.

5 4 3 2 1 N/A

The Partnership Dinner on February 21st was a valuable part of the interview process (Rock Bottom, Dr. Alison McBride's Home, Dr. Orna Cohen-fix's home, Mr. Joey Burnett's home).

5 4 3 2 1 N/A

My interaction with the Partnership Directors was positive.

5 4 3 2 1 N/A

My interview experience at NIH was comparable to my experiences at other institutions.

(Please feel free to elaborate in the other comments / suggestions space at the end of the survey)

My interview experience at the Partner Univeristy (or Universities) was comparable to my experiences at other institutions.

(Please feel free to elaborate in the other comments / suggestions space at the end of the survey.)

OPEN COMMENTS

The following questions are designed for you to provide additional details, questions, or concerns about your interviewing experience.

What do you feel are the most positive aspects of the GPP?

Please discuss any questions or concerns that you have about the GPP:

Collection of this information is authorized by The Public Health Service Act, Section 410 (42 USC 285). Rights of participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all participants and reported as summaries.

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0299). Do not return the completed form to this address.
