Warning Notice

This is a U.S. Government computer system, which may be accessed and used only for authorized Government business by authorized personnel. Unauthorized access or use of this computer system may subject violators to criminal, civil, and/or administrative action.

All information on this computer system may be intercepted, recorded, read, copied, and disclosed by and to authorized personnel for official purposes, including criminal investigations. Such information includes sensitive data encrypted to comply with confidentiality and privacy requirements. Access or use of this computer system by any person, whether authorized or unauthorized, constitutes consent to these terms. There is no right of privacy in this system.

Respondent Burden Statement

Public reporting burden for this collection of information is estimated to average 40 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to:

NIH
Project Clearance Branch
6705 Rockledge Drive, MSC 7974
Bethesda, MD 20892-7974
ATTN: PRA 0925-0568

Accomplishments – Career Highlights/Leadership

Create Career Highlights/Leadership ✕

Career Highlight Example:

The purpose of this accomplishment category is to allow CareerTrac users to provide a narrative account of how training has directly impacted a Trainee's career or leadership potential.

For example, Jane Doe, Ph.D., participant in the XXX research training program, received a competitive "Best Paper" award at the International Conference on _____. Her training with _____ had a direct influence on the direction of the research describe in the paper.

Other examples might include:

- Served as member or Chairperson of a scientific panel convened by a the National Academy of Sciences, the Institute of Medicine, or other government entity
- Received an award
- Led revisions of clinical guidelines, etc.
