- FROM: Mikia Currie Chief, Project Clearance Branch
- SUBJECT: Changing Title of Information Collection "Soliciting Feedback on the Omics Nursing & Education Network (ONSEN) Website (OMB#: 0925-0648 Exp., Date: 05/2021)

This is a request for OMB to approve a modification of NINR's fast-track submission of "Soliciting Feedback on the Omics Nursing & Education Network (ONSEN) Website." The word "Science" was inadvertently left out of the originally title. NINR would like to update the title of the Information Collection to "Soliciting Feedback on the Omics Nursing Science & Education Network (ONSEN) Website".

Your full consideration is appreciated.
