

APPENDIX A
NIMH Email Services Customer Satisfaction Survey

Public reporting burden for this collection of information is estimated to average 3 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate, or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, Maryland 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

This federal government-sponsored survey should take approximately 3 minutes to complete. Your responses will be protected to the extent allowed by law. Participation is voluntary; you may decline to answer any or all of the questions.
