

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB#: 0925-0648 Exp. Date: 03/31/2018)

TITLE OF INFORMATION COLLECTION: NLM Traveling Exhibition Visitor Study

PURPOSE: The Exhibition Program at the National Library of Medicine (NLM) seeks to collect qualitative customer service delivery feedback to better understand the short-term impacts their traveling exhibitions have on visitors, or customers, to their host sites. In particular, the Exhibition Program will obtain feedback to help improve the development and design of future exhibitions.

This request is for the Exhibition Program to conduct a qualitative, study that will gather feedback from those who visit and view NLM’s traveling exhibitions. The visitor study is a summative assessment that will collect and analyze visitors’ comments on three traveling exhibition displays at their hosting institution locations. The findings from the study will help the Exhibition Program improve development and design of future exhibitions.

DESCRIPTION OF RESPONDENTS: The Exhibition Program and the contracted visitor-study professional will identify three institutions that are scheduled to host and display NLM traveling exhibitions during October 2016 – January 2017. The evaluator will be onsite for 2 days at each location and will conduct in-person interview with visitors to the NLM traveling exhibition on display.
