Introduction
The purpose of this survey is to determine interest in the use of Electronic Lab Notebooks (ELNs) at the NH. We are also interested in surveying non- users and current users of ELNs. Your survey responses will help the NIH Library to determine our role and support for ELNs at the NIH.
Instructions
Please note the following below: • Survey responses reside behind the NIH ferwall and are secure to the extent permitted by law. • For each question, select the option that best represents your view. • This survey, will take approximately 5 minutes to complete. • Thy any point, you may exist the survey and return to complete the survey at a later time. Your answers will be saived.
If you have any questions or concerns, please contact Doug Joubert, Data Services Leader at douglas joubert@nih.gov.
1. What is your NIH Institute or Center?
•
2. What type of research is conducted in your lab?
3. Do you or does anyone in your lab currently use an Electronic Lab Notebook (ELN)?
