

OMB Control # 0925-0648, Expiration Date: 05/31/2021

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project Clearance Branch 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, Attn: PRA (0925-0648). Do not return the completed form to this address.

ODS Scholars Program Feedback Survey

Thank you for agreeing to participate in the Office of Dietary Supplements' (ODS) Scholars Program feedback survey. Your feedback is important to ODS. Your responses will be summarized and presented in a comprehensive report to the program director for the purpose of recommending program improvements. We will not retain any personal identifiable information and all responses are combined for reporting purposes. No one response will be attributed to any one person. We estimate that this survey will take approximately 15 minutes to complete.

Contact Adam Kuszak at adam.kuszak@nih.gov or (301) 496-1795 with any questions or concerns.

1. Please select the NIH IC with which you are affiliated:

- NCI
- NHLBI
- NIAID
- NIDDK
- NIEHS
- NIAAA
- NIAMS
- NIDCR
- Other (please specify)

2. Please select the year of your ODS Scholars Award

- 2014
- 2015
- 2016
- 2017

3. How did you learn about the ODS Scholars Program? Please select one:

- Laboratory Principal Investigator
- Your NIH Institute/Center
- The Intramural Research Program
- A current or former ODS Scholar
- Direct communication from ODS
- The ODS website
- Other (please specify)

4. On a scale from 1 (unclear) to 5 (very clear), how well did you feel that ODS' research interests were clearly communicated?

Unclear		Clear		Very Clear
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please explain your answer

5. Did you experience any limitations or challenges associated with applying for ODS funding?

- No
- Yes

If yes, please describe any limitations or challenges that you faced and if they were specific to ODS procedures or specific to your IC.

6. Do you have any suggestions for improving the ODS Scholars application process?

- No
- Yes

If yes, please explain your suggestion.

7. Did you establish any new scientific collaborations as a result of ODS funding?

- No
- Yes

If yes, please elaborate on the type of collaborations and if they are within NIH, within academia, etc.

8. Have you been able to publish and/or present the research funded by ODS?

- No
- Yes

If Yes - please provide the relevant citation(s).

9. To what extent did you conduct dietary supplement related research prior to seeking ODS funding?

- Never conducted dietary supplement research before participating in the ODS Scholars program
- Was a student/trainee/postdoc on someone else's dietary supplement research grant
- Was a collaborator with another Principal Investigator funded to do dietary supplement research
- Was a lead investigator in dietary supplement research grant before participating in the ODS Scholars program
- Other (please specify)

10. Will you consider seeking ODS funding in the future?

Definitely Not	Unlikely	Don't Know	Likely	Definitely
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please explain the factors that influence your response.

11. Will you continue to conduct research on dietary supplements as a part of your scientific career?

Definitely Not	Unlikely	Don't Know	Likely	Definitely
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please explain the factors that influence your response.

12. On a scale from 1 (no impact) to 5 (great impact), how much did the ODS review of product integrity and scientific quality, and communication with ODS staff, help to improve the rigor and quality of your research?

No Impact		Some Impact		Great Impact
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please explain your response.

13. On a scale from 1 (no value) to 5 (great value), how valuable was the ODS Scholars Symposium?

No Value		Some Value		Great Value
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please explain your response.

14. Did you attend the ODS Mary Frances Picciano Dietary Supplement Practicum while you were an ODS Scholar?

- No - Skip to Q. 16
- Yes
