

**ODS Scholars Program
Survey Reminder Email**

[To be sent to all past ODS Scholar Program awardees]

Dear (ODS Scholar name),

As you know the Office of Dietary Supplements (ODS) values your feedback on the ODS Scholars Program's funding processes and impact on awardees' research. If you have not yet completed the online feedback survey, please do so before January 31, 2019. The feedback received from awardees will be used to determine what, if any, changes are needed to make the program more accessible and valuable to researchers. Your responses will remain anonymous and will be combined with all other awardees' responses for reporting purposes.

Please click on the following link to begin the survey. We greatly appreciate the time you take to help us find ways to improve the program. The survey will take approximately 15 minutes to complete and will only remain open until January 31, 2019.
